Three Injured Near Jackson

Three persons were admitted to Mount Mary Hospital, Hazard, this week with injuries received in an automobile accident about a mile east of Jackson on Ky.-15.

The injured were Jess Back, 21, Blackey, who suffered head and face lacerations and a badly mangled left arm; Herbert Caudill, 23, Jeremiah, lacerations of the chin and multiple cuts and bruises, and Irene Campbell, Hallie, multiple lacerations, bruises and abrasions.

Hospital attendants said they were told the accident happened between 6 and 7 p.m. The victims were brought to the hospital about 10 p.m. No further details were available at present.

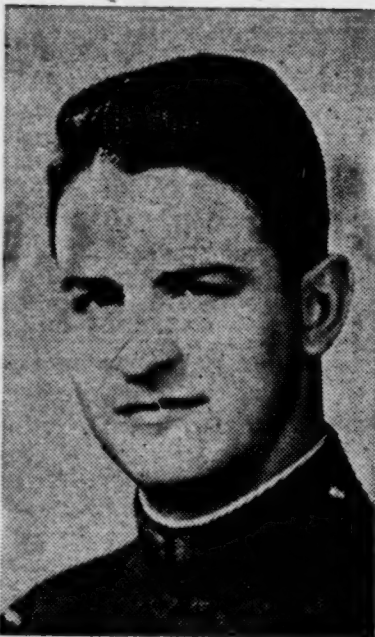

State Police reported that one person was injured slightly in an automobile accident at Blackey on Ky.-7 yesterday. Panzy Caudill, 33, was taken to Fleming hospital after the accident.

Police said a car driven by the Rev. Hugh Walker McCutchan, 69, Blackey, pulled onto the highway when it was struck by another vehicle driven by Vernon Boggs, 30, Jeffersonville, Ind. Both cars were damaged.

Vacation Bible Schools Underway

The Vacation Bible Schools at the Graham Memorial Presbyterian Church, the Whitesburg Methodist Church and the First Baptist got underway this week. The total enrollment for the three churches is with 111 pupils enrolled at the Presbyterian; 60 at the Methodist and 136 at the Baptist Church. The classes are being conducted by qualified teachers and proving very beneficial to the

GRADUATES FROM WEST POINT

West Point, N. Y. — David W. Polly, 22, son of Mr. and Mrs. Lindsay Polly, Mayking, Ky., was graduated June 7 from the U. S. Military Academy at West Point.

Polly will receive a bachelor of science degree and will be commissioned a second lieutenant in the Engineer Corps. At West Point he was active in the Cadet Chapel Choir and the German and Ordnance Clubs.

A former student at Morehead State College, he received his appointment to West Point from Representative Carl D. Perkins of the 7th Congressional District of Kentucky.

Third GOP Man Files Candidacy for Governor

James R. Shaw, Richmond, yesterday became the third candidate to enter the race for the Republican nomination for Governor of Ky.

many students who are having a good time along with their work.

Beauty Contest Tonight at 7 p.m.

The Miss Whitesburg Beauty Contest, sponsored by the Whitesburg Jaycees, will be held tonight at 7:00 p.m., on the stage of the Alene Theatre.

Judging from the beautiful girls entering this contest, this shapes up as being one of the most competitive contests Whitesburg has ever seen.

Following is a list of contestants and their sponsors:

Ramona Sparks—R. C. Cola Bottling Co.; Janet McClure—Whitesburg Insurance Agency; Phyllis Hall—Elmer and Ray's Market; Shirley Butcher—Coca-Cola Bottling; Eloise Reynolds—Vogue Dress Shop; Ava Martin—Gulf Distributors; Francis Sturgill—Public Square Service Station; Nancy King—Reedy's Plumbing and Furniture Co.; Walleen Enlow—Whitesburg Woman's Club; Donelda Breeding—Caudill Lumber Co.

There are three judges from out of town who will decide who the winners will be. \$50 worth of prizes have been promoted for the lucky girls who win First, Second and Third Place. Make plans now to see this gala affair. Jack Taylor and Orchestra will play for this occasion.

Collins To Manage Swimming Pool

Eddie Collins home from LMU for the summer will manage the Municipal Swimming Pool this summer. Eddie has recently completed a life-saving course and advanced swimmers course and the National Red Cross Instructor's course in swimming. He taught swimming at LMU last summer.

The pool opened yesterday and the following schedule will be observed:

Pool open each day for swimming from 11:00 a.m. to 5:00 p.m., except Sunday which will be from 1:00 p.m. to 5:00 p.m. The pool will be open for parties, etc. on Tuesday, Thursday and Saturday nights. Swimming lessons: Ages 8-16 years, 10:00-11:00 a.m., Monday, Wednesday, Friday. Adults: Beginning swimming 10:00-11:00 a.m., Tuesday, Thursday, and Saturday. Age 8-16: Beginning swimming 5:00-6:00 p.m., Monday, Wednesday and Friday.

Other courses in intermediate and advanced swimming to be arranged.

Tri-State Singing Convention June 12th

The 34th annual session of the Tri-State Singing Convention will be held at Bullett Park, Big Stone Gap, Va., Sunday, June 12th. The program will begin at 10:00 A. M. and continue throughout the day.

All singers from various states are invited to attend and participate in the Convention.

There will be free parking space for everybody and refreshments will be served on the ground. Arrangements have been made for a good loud speaking system so that everyone can hear the singing.

The Kiwanis and Lions Clubs will be in charge of Concessions.

Attention Parents of 1st and 2nd Graders!

LIMITED NUMBER OF SECOND POLIO SHOTS TO BE GIVEN IN LETCHER COUNTY

Word has been received from The State Health Department in Louisville that the Salk Polio vaccine on hand in the County Health Offices is now released for use. It is still to be used for 1st and 2nd graders. A new supply of vaccine from the manufacturers to complete the second shots cannot be expected before the early part of July and there is no guarantee that it will be available then. As soon as further information is received announcements will be made from the Health Office or from the Polio Vaccine Committee. In the meantime, in Letcher County we have only sufficient vaccine for a little over 300 shots. In order to be as fair as possible to all concerned no special clinics will be held in any particular area. Parents whose children have already received their first shots and wish them to have the second should apply at the County Health Office in Whitesburg this Friday, Saturday or Monday, June 10th, 11th or 13th. Only the first 300 children to reach the Health Office and who have a record card on file with the Polio Vaccine Committee will be inoculated at this time and until a fresh supply is received. Each and every child who received the first shot has a record card indicating that the shot has been given. This card is held by the Polio Vaccine Committee at the Health Office.

So parents, if your children have had their first shots and you wish them to have the second, please bring them to the Health Office early on any one of the three days—Friday, Saturday or Monday, June 10th, 11th or 13th. No first shots of the vaccine can be given at this time.

This notice applies to preschool children and expectant mothers who have also received first shots.

(The above information was furnished to The Eagle by Dr. R. D. Collins, County Health Officer (medical director Polio Vaccine Program and Mrs. S. E. Moncrief, jr., Chairman Polio Vaccine Committee, Whitesburg Woman's Club).

Mother of Fred Coffey Dies

Mrs. Sallie Coffey, of Monticello, Kentucky, mother of Fred Coffey, Pharmacist at the Quillen Drug, passed away at her home on Tuesday following a long illness. Mrs. Coffey had suffered with a heart ailment for some time but her death was unexpected and a great shock to her family and friends. She visited only recently in Whitesburg with her son. Funeral services will be held today. The many friends of the family extend deepest sympathy.

TWO INJURED IN AUTOMOBILE ACCIDENT

Jesse Bates, Jr. and C. A. Gray of Jenkins are both hospitalized following an automobile accident on the highway near Lakeside at Jenkins on Tuesday afternoon. Bates suffered a broken leg and skull fracture and is a patient in Sharon Heights Hospital. Gray was taken to a Huntington Hospital with a fracture of both jaws and facial and leg cuts.

Senator Will Speak At Baptist Rally

Louisville, Ky., June 7 — U. S. Senator Robert S. Kerr of Oklahoma, Baptist layman, will be principal speaker at the second annual Baptist men's rally and free barbecue at Cedarmore Baptist Assembly June 24th.

The assembly is six miles east of Bagdad in Shelby County. Sponsoring the event is the Kentucky Baptist Brotherhood, the Rev. Lucien E. Coleman, Sr., Louisville, secretary. Attendance of 3,000 is expected.

Supper will be served from 5 to 7 p.m. The program will begin at 7:15. Central Standard Time will be observed. Mr. Coleman stated that all Baptist men in the state are invited, whether members of a Brotherhood or not.

Also speaking will be Edward Hurt, Jr., Memphis, Tenn., new associate secretary of the Southern Baptist Brotherhood Commission in charge of boys' work.

Five Louisvillians will be on the program in addition to Coleman: Dr. E. N. Wilkinson, Parkland Baptist pastor; J. C. Ballew, Kentucky secretary of Royal Ambassadors, boys' organization; the Rev. Herman B. McDowell, evangelist; the Rev. Baynard F. Fox, Southern Baptist Relief and Annuity Board representative; and G. B. Morton, Baptist board accountant and office manager.

Others on the program will be Dr. H. Franklin Paschal, Bowling Green; Herman Cochran, Hopkinsville; and George W. Schroeder, Memphis, Tenn.

Rev. Gilley, 85, Dies Suddenly

Rev. D. F. Gilley, 85, died suddenly at his home in Cumberland early Thursday morning, June 2. Rev. Gilley had made his home in Cumberland for 32 years. He was well-known throughout Eastern Kentucky. He was a member of the Primitive Baptist Church and the Masonic Lodge, Whitesburg No. 754. Rev. Gilley is survived by two daughters, Mrs. Letch Riddle, Lynch, Ky., and Mrs. Walter Pierce, Elizabethton, Tenn., four sons, Charlie and W. R. Gilley, Culberson, N. C.; John Gilley of Cumberland, and J. E. Gilley, Glair, Ky., two sisters, Mrs. Rose Oliver and Mrs. Cynthia Cress of Appalachia, Virginia. Funeral service Saturday, June 4, 2:00 p.m., in the Missionary Baptist Church, Cumberland, Rev. G. J. Walters, Pastor, officiating. Interment in the Huff Cemetery, Cumberland. John-son Funeral Home in charge.

BALLET CLASSES TO BEGIN

Jeanie Nolan and Kay Daniels will begin classes in ballet, tap and majorette, starting Saturday morning from 9:00 to 11:00 a.m., at The Mountain Eagle. Anyone interested come to the office on Saturday morning.

Food Service and Courtesy School

Mr. Steve Sandlin, Jr., Area Sanitarian, visited the Letcher County Public Health office on Tuesday and Wednesday of the past week. He discussed plans for a forthcoming Letcher County Food Service and Tourist Courtesy School to be held on June 27th, 28th, 29th and 30th.

This school will be under the direction of Mr. Rodney Quillen, Food Consultant, Milk and Food Section of the State Department of Health and Mr. Marsh of the Health Education Division of the State Department. It will be attended by restaurant owners and employees and school cafeteria employees and other interested persons.

Mr. Beyrl E. Boggs, Sanitarian for Letcher County will publish the school schedule later. Mr. Boggs also announced plans for a drive for clean public rest rooms and a highway beautification program.

Mr. Sandlin will be in Whitesburg today and tomorrow to make further plans and preparation for the Food Service School.

The Whitesburg Woman's Club will be in charge of publicity for the school.

Five-Week Workshops Offered by MSC Beginning June 13

Morehead, Ky., June 4 — Morehead State College will offer five-week workshops in Problems of Rural Education at Martin and at Whitesburg beginning June 13, it was announced by William M. Caudill, Director of Extension.

Organizational meetings will be held at Martin High School at 2:00 P. M., June 13 and at Whitesburg High School that morning. The workshop at Whitesburg will be led by Fred Cox, principal of Virgie High School in Pike County.

The workshops will meet approximately four hours a day, Mr. Caudill said, and will carry six hours of academic credit for qualified students.

Local Chief Attends Kentucky Fire School

Whitesburg will be represented at the 26th annual Kentucky Fire School at the University of Kentucky, Lexington, June 7, 8 and 9.

Fire Chief Remious Day said today that he will represent the local department at the three-day vocational training course offered by the University of Kentucky.

The Kentucky Fire School is intended to provide fire department personnel with up-to-the-minute information on latest improvements in methods of fire extinguishment and at the same time teach greater skill in established methods.

According to State Fire Marshal J. T. Underwood, Jr., the Kentucky school is one of the largest in the United States and is topped attend-

REMEMBER
FATHER'S DAY
JUNE 19

J. E. Thompson, 76, Succumbs, June 1

John E. Thompson passed from this life on Wednesday, June 1st at the Sharon Heights Hospital at Jenkins, Ky. He was the son of J. N. and Minerva Caudill Thompson and was born on April 4, 1879, being 76 years, one month and 28 days of age at his death. About the age of 21. He then went to Virginia where he was engaged in the mercantile business for several years. Mr. Thompson was married to Miss Lettie Downs of Keokee, Virginia. After returning to Letcher County he resided at Seco where he was in the employment of South-East Coal Company, later, he moved to Whitesburg. He was married to Lettie Downs on October 30, 1907, to this happy union was born six children. Three preceded him in death, Virginia, Newton and Sgt. John of the U. S. Air Corps who was killed in action in World War II. Surviving Mr. Thompson are his wife, Lettie, two daughters, Kathleen Burrows of Miami, Fla., and Jane Beverly of Baltimore, Md., and one son, Bill, at home; five sisters, Mrs. Lina Hall, Knoxville, Tenn.; Mrs. Cora Kelly, Corbin, Ky.; Mary Powell, Knoxville, Mrs. Minnie Jenkins, Whitesburg; Mrs. Edna Adams, Whitesburg; three brothers and two sisters have preceded him in death, also surviving are four grandchildren.

Mr. Thompson was a member of Graham Memorial Presbyterian Church, Whitesburg. He had been in poor health for the past five years, but critically ill for about two weeks.

Funeral services were held at the Graham Memorial Presbyterian Church, Whitesburg, Ky., on Friday, June 3, 1955 at 10:00 a.m. (CST) with Rev. C. A. Lingle officiating. Burial in Norton Cemetery, Norton, Va., Craft Funeral Home in charge.

A. C. Brown In Hospital

A. C. Brown is a patient in the Good Samaritan Hospital at Lexington.

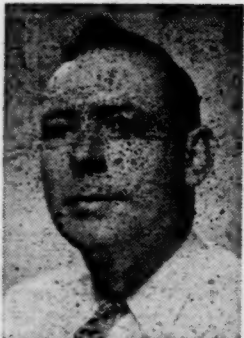

ance-wise only by schools in Illinois, Texas, Nebraska and Washington. As a result of large attendance—many from other states—Underwood says the school annually attracts some of the Nation's outstanding fire authorities as lecturers.

Included on this year's program are three members of the National Fire Protection Association's committee on firemen's training. They are Emmett T. Cox, secretary of the committee and field officer of the Western Actuarial Bureau, Chicago; Robert F. Hamm, director of public relations, Indiana Rating Bureau, Indianapolis; and Mark W. Brosier, of the engineering extension service, Iowa State College, Ames, Iowa.

Kentuckians featured on the program include Dr. Lyman V. Ginger, dean of the University of Kentucky College of Adult and Extension Education, Lexington; Capt. Robert A. Burdon, director of the State Fire and Tornado Fund; Jess B. Ward, chief LP gas inspector of the State Fire Marshal's office; and Assistant Chief Steve B. Logan, Lexington Fire Department.

The school is sponsored annually by the University of Kentucky in cooperation with the State Fire Marshal's office, Kentucky Firemen's Association, Kentucky Inspection Bureau, Industrial Fire Protection Council, Division of Vocational Education, and Kentucky Municipal League.

STATEMENT OF HARRY M. CAUDILL, CANDIDATE FOR REPRESENTATIVE

Three months ago I announced that I would ask the people to re-elect me to the House of Representatives for the 1956 session. Since that time I have received much encouragement from every section of the county.

As a life-long resident of Letcher County I have always tried to promote the progress of the county and its moral betterment. I have believed that wise laws and just government are impossible unless we rely upon Almighty God in our undertakings.

As your Representative in 1954 my interest lay with the weak and helpless. I co-sponsored the Minimum Foundation Law which seeks to give a decent education to every child. I voted for appropriations of more than six million dollars additional money for our Old-Age, dependent children and needy blind. This legislation made it possible to give this help to 200 additional people in Letcher County in the last 15 months. I sponsored a bill which substantially raised the pensions of retired teachers. I supported legislation which, if passed, would have given state aid to the totally disabled. From the first day of the session to the last I worked for repeal of the unjust lien law which imposes so unfair a burden upon our needy old people. My bill was voted down by the house on February 17 but received 41 votes out of 100. If re-elected I will renew the fight to repeal this law.

If re-elected I pledge to always work for moral, honest and sober government, and to serve all alike, without regard to creed, color or politics.

My main specific aim will be to work and vote for full financing of the Minimum Foundation Law for our schools, effective in 1956. I am convinced that unless this great new law is promptly made effective many of our schools will close for lack of qualified teachers before the end of next year.

As a veteran of World War II I have the welfare of veterans and their families close to my heart and will support all legislation for their benefit.

I have practiced law at Whitesburg for seven years and believe I am qualified for the office. I am acquainted with thousands of our people and am willing to stand on my record of past service.

The vote and influence of every voter is earnestly requested.

—HARRY M. CAUDILL

East Kentucky's Conservation Problems To Receive Special Attention

Eastern Kentucky's conservation problems will receive special attention at Morehead State College's three-week workshop in Resource Use and Conservation, June 13 to July 1. The Workshop is a cooperative project of the college and a number of state and federal agencies, according to Dr. Fenton T. West, head of the Division of Science and Mathematics and chairman of the planning committee for the conference.

"A primary purpose of the Workshop is to acquaint Eastern Kentucky teachers with the work being done in the field of conservation by various federal, state and local organizations," Dr. West said. "The Workshop also aims to help teachers learn the sources and kinds of assistance available from these agencies in building correct conservation attitudes and ideas in the minds of the youth of Kentucky." The Boards of Supervisors of Soil Conservation Districts in the area are cooperating with the project by sponsoring scholarships to the Workshop for teachers in their counties.

Workshop activities will include demonstration lectures, field trips, library projects and evening discussions. Topics to be consid-

ered are Geological and Mineral Resources, Soil Conditions and Land Use Planning, Water Resources, Forest Use and Forestry Planning and Wildlife Use and Preservation.

Instructors for the Workshop will be faculty members from Morehead State College's departments of agriculture, biology, education and geography and geology, and Breckinridge Training School staff members. These instructors will be assisted by representatives of the U. S. Forest Service, U. S. Soil Conservation Service, Kentucky Division of Forestry, Kentucky Division of Soil and Water Resources, Kentucky Geological Survey, Kentucky Division of Mines and Minerals and Kentucky Fish and Wildlife Commission.

The Workshop is open to all interested persons, and college credit may be obtained by juniors, seniors or graduate students. Total cost, including registration and fees, room, and meals at the college cafeteria, will be approximately \$41 for the three-week period. Advance reservations for dormitory rooms should be made as soon as possible, Dr. West said.

Electric And Coal Co.'s Merge In Contracts

Pittsburgh, Pa. — Elmer L. Lindseth, President of Cleveland Electric Illuminating Company, and George H. Love, President of Pittsburgh Consolidation Coal Company, announced recently that their companies had entered into a contract for the delivery of approximately 18,000,000 tons of coal over a 15-year period by means of a coal pipeline extending from the coal company's Georgetown, Ohio, properties to the Eastlake, Ohio, plant of the Cleveland Electric Illuminating Company, a distance of 108 miles.

Mr. Love stated that this will be the first commercial coal pipeline in the United

States and is being constructed with the complete cooperation of the two railroads serving the mine and the one railroad upon which the utility plant is located. The New York Central Railroad, the New York, Chicago and St. Louis Railroad and The Pennsylvania Railroad are participating with the coal company and these railroads are in a position to take a substantial ownership in this new means of coal transportation when construction is completed.

The Georgetown property, one of the largest commercial coal operations in the world, will continue to ship most of its production by rail.

BUTLER TO SEEK NOMINATION FOR COMMISSIONER OF AGRICULTURE

Louisville, Ky., June 1. — Ben J. Butler, 37, resigned last week-end as Fayette county farm agent to make the race for the Democratic nomination as Kentucky Commissioner of Agriculture. He also resigned as secretary of the Kentucky Association of Farm Agents.

Mr. Butler's candidacy papers were filed Friday at Frankfort and were signed by William H. Townsend, Lexington attorney, and J. Ed Parker, Jr., vice president of the First National Bank & Trust Co., Lexington, whom Butler succeeded as farm agent.

Butler, making his first race for public office, said he will run "as a qualified agriculturalist, rather than as an experienced politician". He is recognized for his work in promoting livestock, solids, pasture and tobacco projects, a distinguished World War II record and for his leadership in military reserve affairs.

He was awarded the Distinguished Service Cross, the nation's second highest award for bravery, and received two battlefield promotions, one of them on the order of General Mark Clark.

Butler has served as president of both the Kentucky, ROA, and the Central Kentucky Chapter, ROA. As a full colonel now, he commands the 397th Infantry Regiment of the 100th (Reserve) Division.

He was named the Lexington Junior Chamber of Commerce's "Outstanding Young Man of 1949" and later was named one of the State's three most outstanding young men by the Jaycees. In 1942, he married Miss Ruth Manion, Mason county, and they have two sons, Bill, 7, and Bob, 8. Both Butler and his wife have been active in the

Community Chest, PTA, Community Recreational Association and other organizations. Butler is a deacon of the Central Christian Church, a member of the Rotary Club and a life member of the UK Alumni Association.

Local Boy Elected Treasurer Morehead Chapter of Future Teachers of America

Estill Cornett, Letcher County student at Morehead State College, was recently elected treasurer of the Morehead chapter of Future Teachers of America. He will assume office in September.

Mr. Cornett, son of Mr. and Mrs. Columbus Cornett of Gilley, is a senior agriculture major at the college. He belongs to the Agriculture Club and the FTA. He is a 1948 graduate of Kingdom Come High School in Linefork.

Monthly payments to beneficiaries now on the rolls may be increased through the "drop-out" provision of the 1954 amended Social Security law. However, W. H. Hobbs, Acting District Manager of the Hazard, Ky., district office explained that these individuals must meet certain additional earnings requirements.

To qualify, an individual must have six quarters of coverage (about one and one-half years of work) after June, 1953. A quarter of coverage is any calendar quarter in which the individual is paid at least \$50 in wages or can be credited with \$100 or more of self-employment income.

Millions of beneficiaries received automatic increases in their benefit for the month of September, 1954. Many of those who meet the above requirement may qualify for a still higher benefit. However, it is necessary that they file an application for a drop-out recomputation. This type of an increase is not automatic.

Hobbs explained further that monthly benefits under Social Security are computed on average monthly earnings. Consequently, any year of low or no earnings under Social Security will result in a lower benefit. The drop-out provision of the amended law provides that as many as four or five years may be dropped when computing an individual's benefit. Five years may be dropped only when the individual has 20 quarters —

(about five years of work) under Social Security.

All persons who reach 65 after August, 1954 will automatically have their benefit computed with the drop-out provision. Hobbs advised that beneficiaries who were receiving benefits in August, 1954 should consult with the nearest Social Security district office if they have acquired six quarters of coverage after June, 1953. It may mean a higher benefit for them.

Mrs. John C. Oldham and children, have gone to Tampa, Fla., to help furnish the motel they are building.

Mrs. John Terry and daughter of Cincinnati, Ohio are visiting Mrs. Bill Collins and family.

A large crowd attended the memorial services at the Frewill Baptist Church, Sunday for Mrs. O. D. Moore.

Mrs. Gertrude Johnson is on the sick list. We hope for her a speedy recovery.

Miss Dorothy Brewer left for Philadelphia, Penn., to visit Mr. and Mrs. Smith Brewer.

Funeral services were held at the Missionary Baptist Church Monday for Mr. Jim Zideroff, who passed from this life, Saturday morning at 1:30 p.m. Our sympathy goes to the bereaved family.

Mrs. Laura Gardner has been on the sick list. We hope she is on the road to recovery.

Mr. and Mrs. Johnnie Mullins are visiting his parents, Mr. and Mrs. Roy Mullins.

Misses Wanda and Betty Gibson have gone to Louisville to work for the summer.

PAYNE GAP NEWS

by Mrs. Flora Belcher

The Payne Gap girls are giving Miss Mary Louise Hodges a warm welcome on her return to Payne Gap. Miss Hodges has been living in Marion, Virginia for the past eighteen months.

Mr. and Mrs. Glenn B. Whitaker of Henryville, Ind., are visiting Mr. Whitaker's grandmother at Almira, Va., this week.

The Frewill Baptist church is holding a revival at Dunham. Everyone is welcome.

J. L. Holfield visited recently with his parents, Mr. and Mrs. Jeff Holfield, at McRoberts.

Mr. and Mrs. Rhemis Phillips were recent guests of Mr. Phillips' mother at Pound, Va.

We are sorry to hear of the illness of Mrs. Theole Belcher's mother, Mrs. Keller at Amarillo, Texas.

Mrs. Percy Elkins is guest of her daughter, Mrs. Betty Ann Baker of Louisville.

Mr. and Mrs. Clarence McPeak have named their new baby girl, Beverly Lynn.

The entire community of Payne Gap are glad to know that Dr. D. V. Bentley of Ne-on, is improved. He is loved by all who know him.

The Payne Gap Young Peoples' Meeting is held at the Payne Gap Church each Friday afternoon at 5:00 o'clock.

James Owen Elkins is guest of his brother, Morgan Elkins, in Frankfort.

Mr. and Mrs. Troy Holfield

of Wise, Virginia were guests of his mother, Mrs. Emma Holfield, on Sunday.

Mr. and Mrs. William Elkins visited their son, Creighton, at Beefhide, during the week-end.

Kenneth McPeak is guest of his brother, Clarence, in Michigan.

Lets cheer our beloved Ida Bates of Payne Gap, this week with cards and letters. She has been a bed patient for the past 13 years.

We want to welcome Mrs. Lawrence Fryer of Florida, to our community.

We are sorry to lose Truman Sexton from our town. He recently joined the Air Force. Truman graduated from Jenkins High School with a perfect attendance record for four years. He is a member of the Frewill Baptist Church, visits the hospital regularly and will be missed greatly.

Aunt Becca Jones

"I Want To Rest"

I am tired, oh, so tired, Of all this life has been, A life of toil, pain and tears, I am tired of a world so filled with sin.

I am tired of hoping for peace, Hope that cannot come true, I am so weary and anxious now, To bid this world adieu.

The road has been so rough and long, So filled with pain and tears, Disappointment has been my lot,

Through all the weary years, I want to forget all the years That have been so hard to bear,

The years that were so filled with pain, I want to rest from toil and care.

I am so tired I want to rest, In a land where all is peace, I want to leave this world of sin,

Where worry does not cease, I want to lay all troubles down,

And rest from all of life's storms, I want life's rugged road to end, A road so filled with thorns.

—Rebecca Jones

Soil Conservation Notes

CECIL HENSLEY

Grazing Damages To Timber

No areas in Kentucky are recognized as being suitable for the production of both timber and livestock.

Cattle will either damage or kill a number of our most desirable timber species in the sapling or seedling stage. As a result the proportion of desirable trees is reduced.

Trampling by livestock will

Try**KEETI'S****First**

For Your Vacation Clothes—A Large Selection of Play Clothes and Swim Suits—Moderately Priced.

KEETPS,

Opposite Bank

Cumberland, Ky.

cause a compacting of the soil and lower the infiltration rate of water for that soil, which is necessary for good timber production.

A grazed forest is also much more subject to soil erosion and deterioration. Manure is also lost in the process of woodland grazing.

Combs To Campaign In Fourteen Counties

Louisville, Ky., June 6 — Bert Combs will campaign in 14 counties in five congressional districts next week, according to a schedule announced here today by Ramsey B. Taylor, Combs' state campaign chairman.

Combs will attend the American Folk Song Festival in Ashland on Sunday, June 12, and then will swing into this campaign itinerary:

June 13—Lexington, 10:00 a.m.; Beaver Dam, 12:30 p.m.; Brownsville, 4:30 p.m.

June 15 — Auburn, 8:30 a.m.; Adairville, 11:00 a.m.; Lewisburg, 2:00 p.m.; Livermore, 4:00 p.m.; Calhoun, 7:30 p.m.

June 16—Hopkinsville, 9:00 a.m.; Columbia, 1:00 p.m.; Lawrenceburg, 7:30 p.m.

June 18 — Owenton, 9:00 a.m.; Williamstown, 1:30 p.m.; Falmouth, 3:00 p.m.; Flemingsburg, 7:30 p.m.

All times listed are local.

TIFFIN NEWS

by IEADA MAGGARD

NOW! This Big Dodge V-8 priced below several small 6's!

New Dodge Coronet V-8 Club Sedan—biggest buy of '55.

This one's so hot you're going to have to see it yourself before you believe it.

It's a brand new model in the Dodge line: A big, roomy 6-passenger sedan with the dashing Lancer trim that's the high-style note for 1955! And its power plant is the Dodge aircraft-type V-8 that holds more records for performance, stamina and endurance than any standard production engine on the road.

But here's the news that will really make you sit up and take notice! This luxurious Dodge Coronet V-8 Club Sedan is priced within the range of the small car 6's. Yet it's up to 17 inches longer . . . with luxury, comfort and riding ease to match the costliest cars.

If you'd like to step up to the big-car class, yet keep costs down, come in and find out about this new Dodge Coronet V-8 Club Sedan.

Hayes and family attended the family reunion last Sunday at Adams, Ky.

Mr. Bill Hayes from Dayton, Ohio was week-end guest of his wife and children and his mother, Mrs. Nora Hayes.

HOMEMAKERS Corner

ROBERTA HALCOMB
Home Demonstration Agent

We sure are having some beautiful work done on the pieces of tube textile painting done in Homemakers Clubs this month. The Little Cowan Club started off the month with eight pieces completed. Last Thursday the Camp Branch-Colson club and the Sandlick Club met jointly and there were so many there I never did get the count of articles finished. Friday, the Millstone and Fleming groups met with practically every member and visitor doing some beautiful work. It seems

tea towels have been most popular so far.

SCHEDULE:

(Please take note, as some of the meetings have been changed for this month — yours may be one of them).

Tuesday, June 14, the East Whitesburg Club will meet at the home of Mrs. George Cook at 10:00. This is a week later than the regular schedule. At 1:00 Eastern Time on the same day, the McRoberts Club will meet at the home of Mrs. June Varson.

Wednesday, June 15, the West Whitesburg group will meet at 10:00 at the home of Mrs. J. C. Hammonds, the Tom Biggs group will meet at the School house at 3:30 Eastern Time and the Mayking Club will meet at 7:00 at the home of Mrs. Ray Collins.

On Friday, June 17, the Dixon Club will meet at 10:00 at the home of Mrs. Gobel Fields. Textile painting with tube paints will be the lesson and Miss Ratliff or I will give instruction.

We are in Lexington this week for the State 4-H Club meeting. Will be back Saturday.

SUMMER CURTAINS:

Some of you women like to use only glass curtains at your windows in the summer months, for they give a cool, airy effect. Here are some synthetics commonly used for this purpose.

NYLON Does not shrink, stretch, nor attract moths, non-flammable and non-absorbent; does not soil easily and is quick drying; requires little ironing. It is weakened by sunlight, and fuses and yel-

lows with heat.

ORLON — Non-flammable and does not shrink nor absorb moisture. Strong fiber, resists wrinkles. Washes easily, dries quickly. Is not affected by sunlight, but is weakened by heat.

DACRON Has outstanding resistance to wrinkles, shrinkage, and creasing. Washes easily, does not stretch, and requires little or no ironing.

RECIPE:

Ice cream roll is a dessert that has top ranking in flavor, appearance and food value. As this is Dairy Month, why not try this Dairy Food recipe?

ICE CREAM ROLL

1 Cup flour
One-fourth teaspoon salt
6 eggs.
1 cup sugar
1 teaspoon grated lemon rind
1 teaspoon lemon juice
1 pint ice cream

Measure sifted flour, add salt and sift again. Beat egg yolks until thick. Add sugar and flavoring, beating constantly. Fold in the stiffly beaten egg whites, then cut and fold in the sifted flour.

Pour batter into a pan about 10 to 15 inches, lined with waxed paper. Bake in moderate oven, 375 degrees for 12 minutes. Turn on to a towel sprinkled with powdered sugar. Remove waxed paper and quickly trim off all edges. Roll up as a jelly roll and wrap in sugared towel. Cool, then unroll and spread with softened ice cream. Reroll, wrap in freezer paper, and place in freezing unit.

MENU: Roast beef, lima beans, creamed onions, spring relish plate, corn sticks, butter and ice cream roll.

LITTLE COWAN HOMEMAKERS

Have you had a good thought today? If not you had better think one for that is what the Homemakers are answering the roll call with this month.

The Little Cowan Club met at the home of Mrs. Carrie Blair on June 1 with 6 members present. We were pleased to have two visitors, Mrs. Bill Long and Miss Elizabeth Ann Day.

Our business meeting consisted for the coming years. These were the officers elected:

President, Hazel Day; Vice President, Ver aBanks; Secretary - Treasurer, Virginia Brown; Landscape, Catherine Banks; Major Project Leader, Louama Banks, Lois Sturgill, and Virginia Brown; Citizenship, Carrie Blair; Publicity, Beulah Caudill; Recreation, Susanna Day; Reading, Ruby Sturgill; Membership, Vera Banks.

DID YOU KNOW?

by
VIRGINIA RATLIFF

Did you know that besides being the month for brides, June is also the month for picnics, and outings of all sorts. These outings can be fun or they put you in such a dither you scarcely know which way to turn. This will not happen if you plan carefully and well in advance.

If sticks are to be used for cooking be sure you know where to get them! Don't forget the knives! Paper plates and cups are nice too. Plan to have everyone help in some way. He can always give directions for building the fire. We've an outdoor meal all on a stick that we think you will enjoy once you try it. It's called the KABOB and here's how it's done.

The kabob is a whole meal in itself, and is good if thoroughly cooked. For each member of the party, one-fourth pound of round steak or ham or bacon and one-half each of a good sized onion and a potato are needed. Cut the meat into 1-inch squares. Cut the onion lengthwise, that is, from top to bottom, and separate the leaves of each half. Cut the potato into one-half inch slices. Carrots and apples may also be used if desired. Onions and potatoes may be pared and put into bowls. Each member of the group makes a kabob by running a pointed stick through meat, onion, potato, repeating until meat is all used. This should be pushed well up toward middle of stick. The stick is then turned continually during the broiling process.

FARM NOTES

ROBERT H. FIKE

Sudan Grass provides good straw for mulching strawberries, if cut before going to seed.

Also sudan grass provides summer grazing and is a good emergency crop for stock farms. It is drought resistant; palatable, nutritious and produces large yields, even on moderately productive land.

Sudan may be seeded any time from about two weeks after corn planting to August 1. The seeding rate is 3 to 5 pounds an acre when grown in rows and 20 to 25 pounds when broadcast. An application of 400 pounds an acre of 8-8-8 or other high nitrogen fertilizer is recommended.

Sudan will usually make 2-4 tons of hay per acre.

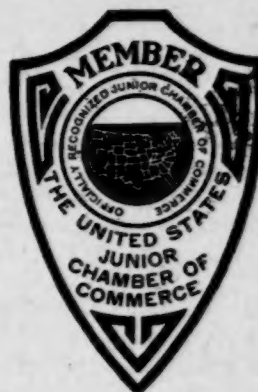

RENOVATION OF

BERRY PATCH

Quickly after picking berries is over the patch should be renovated.

This means fertilizer No. 1,000 of 5-10-10 or other high grade per acre. Work out the middles so cultivation can be followed the rest of the summer and often is wise to thin down the plants left in the row — this may be done by means of a spike tooth or dray harrow cross wise.

But the important thing is do it quick, so more runners can take root.

JAYCEE

Meets at Sarah's Tearoom

Thursdays 6:30 p.m.

Emory Lewis Pres.
Herbert Caudill V-Pres.
Jack Little Treasurer
Willard Kiger Secretary

The Whitesburg Jr Chamber of Commerce held their regular weekly meeting at Sarah's Tea Room on Thursday night, June 2, 1955 at 6:30 p.m., with the following members present: Paul Kirkland, Don Crosthwaite, Emory Lewis, Willard Kiger, Alfred Isaac, Woodford Blair, Robert Williams, Elmer Collins, Gail Fields, Ray Pigman, Hoover Dawahare, Jack Little, Jess Holbrook and (Florida Sutan) Estill Blair. Absent were Herbert Caudill and Ernel Ison.

The President, Emory Lewis opened the meeting, Secretary Willard Kiger read minutes of last meeting and treasurer Jack Little gave the Treasurer report.

At this time President Emory Lewis presented to nine members of the club Spark-plug awards for work they have done this past year as outstanding members of our club. Those receiving Spark-plug awards were Robert Williams, Estill Blair, Paul Kirkland, Woodford Blair, Willard Kiger, Herbert Caudill, Jack Little, Emory Lewis, and Elmer Collins. Congratulations, fellows and I hope that in the coming year every member can win one of these Spark-plug awards.

Our Beauty contest to crown Miss Whitesburg will be held this Thursday night, June 9, 1955. The prettiest girls we have in Whitesburg will be entered in this so let's all go to the Alene Theatre and see if the judges know beauty when they see it.

Our banquet will be held this Saturday night at 8:00 o'clock at Pine Mountain Hotel. All members and wives are to meet at Robert Williams' home at 7:00 o'clock and then proceed to Pine Mountain Hotel.

Due to some changes and vacancies we have had some changes in our officers for the coming year:

Estill Blair, President;
Elmer Collins, V-President;
Paul Kirkland, Treasurer;
Willard Kiger, Secretary;
Jess Holbrook, Publicity Director.

DEADLINE FOR HOME EC. SCHOLARSHIPS EXTENDED TO JUNE 15TH

Morehead, Ky., June 6 — Deadline for applications for the Morehead State College Home Economics Club Scholarship has been extended to June 15, it was announced by Patti Bolin, head of the Home Economics Department and sponsor of the club. Interested high-school graduates should write Miss Bolin at once.

The scholarship, offered for the first time this year, is for \$100 a year. Any Kentucky high-school graduate who will be a freshman this fall and plans to major in home economics is eligible to apply, Miss Bolin said. It is not necessary for applicants to have studied home economics in high school.

Funds for the scholarship were raised by members of the college Home Economics Club, and the club hopes to offer the scholarship annually.

Don't argue with this baby!

All Chevrolet's competitors and most of the high-priced cars tried it recently in official NASCAR* trials—and took a licking!

Meet the champ! The new Chevrolet "Turbo-Fire V8"—the most modern V8 on the road today. Here's what happened—

Daytona Beach, NASCAR Acceleration Tests Over Measured Mile From Standing Start. Chevrolet captured the 4 top positions in its class! 8 of the first 11! And on a time basis Chevrolet beat every high-priced car, too—but one! But wait!—this is just the beginning!

Daytona Beach, NASCAR Straightaway Running. Open to cars delivered in Florida for \$2,500 or less. Chevrolet captured the first two places, 7 out of the first 11 places!

Daytona Beach, NASCAR 2-Way Straightaway Running Over Measured Mile. Open to cars from 250 to 299 cu. in. displacement. Chevrolet captured 3 of the first 5 places!

Columbia, S. C. NASCAR 100-Mile Race on half-mile track. Very tight turns. Chevrolet finished first!

Fayetteville, N. C. NASCAR Late Model Event. Chevrolet again finished first. Because of even tighter turns the driver chose to run the entire 150 laps in second gear! Yet no overheating or pit stops!

These facts you can't laugh off. Sales leader. Road leader. A crowning achievement of Chevrolet and General Motors. Try a Chevrolet... and live in a land of going-away where you win all the arguments! Soon, maybe?

*National Association for Stock Car Auto Racing

Way, way ahead!

Chevrolet

Sales leader for

DETROIT
GOSSIPby Mrs. Mora Carroll Blair
Phone KEnwood 3-8850

Mr. and Mrs. Liburn Mullins (Nancy Lee Tucker) left for Neon Saturday morning. Mrs. Mullins has been visiting her husband for a week here in Motor City.

Mrs. Janice Bore and daughter, Diana, accompanied the Meade family to Kentucky for a week's visit with their families. While in Kentucky they were visitors of Mr. and Mrs. John Bentley of Seco, (Mr. Meade and Mrs. Allen's sister), also Mrs. Allen's mother-in-law (who is ill and wished a speedy recovery), Mrs. J. L. Allen of Seco and Mayor and Mrs. Bill Tucker of Neon.

Mr. and Mrs. Cecil Mauk, (formerly of Seco and Whitaker), now of Lum, Michigan, served a delicious chicken supper, Saturday night, May 28th in their beautiful home near Flint, Mich., to Mr. and Mrs. Charles Mauk and son, Eddie, of Detroit, Mr. and Mrs. George Allen and daughter, Janice Bore and her daughter, also of Detroit. (Mrs. Cecil Mauk.)

Mr. and Mrs. Charlie Wright were visitors of Mr. and Mrs. Chester Gibson, recently.

VAN EMMERICK
GUEST—

Mr. and Mrs. John Van Emmerick (Lenore Sergeant) has as Memorial week-end guests, Mrs. Van Emmerick, sister and husband, Mr. and Mrs. Archie Hunsucker (Mildred Sergeant), of Pikeston, O., (formerly of Sergeant, Ky.) and Mr. and Mrs. Bartheld Risner of Detroit, on Memorial Day. All persons mentioned above and the children of Mr. and Mrs. Van Emmerick motored to Amherstburg, Canada and enjoyed a delicious picnic, returning to Detroit late Monday evening.

IN CHILDREN'S
HOSPITAL—

Little Judy Combs, infant daughter of Mr. and Mrs. Kemball Combs of East Detroit was rushed to Children's Hospital Sunday, May 29th, with convulsions and will remain for at least a week or two for a series of tests recommended by their Doctor. Speedy "Get Well" wishes are sent to little Judy, a beautiful little girl, from all of Mr. and Mrs. Combs family and friends here in Detroit.

VACATION IN
FLORIDA—

Joe (Butch) Michael and Dickey Tripp, sons of Mrs. Mary (Krolo) Tripp are spending the month of June visiting their grandmother Tripp in Florida, leaving here Wednesday by plane.

OUT OF TOWN FOR
MEMORIAL DAY—

Mr. and Mrs. Herman E. Hammond and children, Vico, Ky., Dan Blair, Rex Franklin, Pauline Seabaul, Sharon Kaye Krolo, Fleming and Colly, Ky.; Douglas Dempsey, Fleming; Mr. and Mrs. Fred Robinson, and children, Corbin, Ky.; Liburn Mullins, Neon and Hazard, Ky.

STEAK DINNER AT
MASONIC LODGE—

Mr. and Mrs. George Allen enjoyed a delicious steak dinner and entertainment, Saturday, May 28th at the High 12 Lodge of the Masons in E. Detroit. After leaving the hall Mr. Allen was waiting on the corner of Hilger and Charlevoix and a familiar figure came walking down the street that Mr. Allen hadn't seen since 1945 at Whitaker, Ky. It was none other than Charles Mauk. They shook hands and patted each other on the back and Mr. Allen took Mr. and Mrs. Mauk and son, Eddie home with him to spend the night so they could get caught up on all the gossip and a happy reunion was enjoyed by both the Allen and Mauk families.

VISITS FROM KY.—

Mr. and Mrs. Wm. Dempsey

and daughter, Robbin, of Fleming are visiting their children and families here in Motor City for a week or two. Their children here in Detroit are Mr. and Mrs. Jerry V. Collier and sons, Mr. and Mrs. Jim Revis and Douglas Dempsey.

VISITS FROM
CLEVELAND, OHIO—

Mr. and Mrs. Sylvester Allen and Mr. and Mrs. Dewey Holbrooks stopped over in Detroit for a visit with Sylvester's brother and family, Mr. and Mrs. George Allen of Epworth Ave.; Mr. and Mrs. Holbrook and Mr. and Mrs. Allen employed in Cleveland, O., on their vacation drove by Niagara Falls, N. Y., Canada into Detroit, leaving for Ohio Sunday, May 29th.

KANSAS CITY
VISITORS—

Mr. and Mrs. John D. Meade and daughter, Marlene, were visiting the George Allen family recently. Mrs. Allen will be remembered as Thelma Stacy of Seco.

CAMPING AND
FISHING—

Those camping overnight Saturday, May 28th at Kent Beach camp site near Brighton, Mich., were Mr. and Mrs. Elbert Richardson, Mr. and Mrs. W. L. Blair, Jr. and children, Mr. and Mrs. John Krolo and Sandra Lee, Mr. and Mrs. Claude Stapleton and sons, and Mr. Mart Potter. Their catch was between 75 and 80 fish and Mr. Mart Potter had the biggest fish of all—an 18-inch bass.

CELEBRATES
BIRTHDAY—

Mr. and Mrs. Charlie Wright enjoyed a night out for dinner and entertainment in celebration of Mr. Wright's birthday Monday night.

Visiting the W. L. Blair, Jr. family of Trinity Ave., Memorial Day was Mr. and Mrs. Cirwood Blair, Mr. and Mrs. Harry Tripp and Linda, Mr. John Krolo and Mr. and Mrs. Mart Potter.

SUNDAY VISITORS—

Mrs. Lorene Thornhill Bahm of S. Pierson St., had as Sunday visitors, Mrs. Claude Eva Combs and children, Mrs. Nick Combs and Mrs. Mora Carroll Blair.

FORGOT TO
MENTION!

In writing last week's news I forgot to mention Jockey Jimmy Brecken, also from Kona, as are the famed Cook brothers, Breckens and L. C. Cook (Lois as we know him) are riding here in Detroit at the MRA Track while Bill Cook is in Chicago.

High '55 Corn Profits Come
With Good Soil Management

Fertilizer made the difference in early growth in these two plots. Thick corn growth (right) is on well fed soil.

GOOD soil management including fertilizer use can help keep 1955 corn profits high, by enabling farmers to produce the same amount of corn on fewer acres, reports the Middle West Soil Improvement Committee.

"Such a program can help farmers stay within the 1955 corn acreage allotments without cutting their net income," says the committee. Soils specialists estimate that the Midwest's corn yields could average 85 bushels per acre, instead of the present 50 bushel level, if farmers used good soil management practices and had favorable weather.

These higher yields, says the committee, depend on: 1—Supplying the soil with enough well-balanced nutrients so it can meet the peak demand of the crop. This involves providing a "main course" of plant food, as well as a starter application. 2—Planting enough stalks per acre so the crop can make full use of all the nutrients the soil

can supply. On heavy soils, agronomists say stands of 16,000 to 18,000 stalks are profitable. On sandy soils they suggest 10,000 to 12,000 stalks. 3—Planting well adapted hybrid seed corn. 4—Controlling insects and diseases. "Nutrients have to be available when the corn plants need them most, if you are to get high yields," says the committee. "In the fast-growing six-weeks' period between the knee-high and tasseling stage, corn plants will eat up two-thirds of their entire summer's ration of nutrients."

"One of the surest ways to get a well-developed, high-yielding corn crop is to plow down or disc in a complete fertilizer before planting time and then add a starter fertilizer in the row. Some soils men recommend plowing down as much as 800 to 1,000 pounds of fertilizer carrying nitrogen, phosphate and potash and adding 250 to 300 pounds of starter fertilizer at planting time."

JEREMIAH

three daughters from Ohio were visiting his mother, Betty Lou Hampton at Jeremiah.

Mr. and Mrs. Charles Poston and family are visiting their parents, Mr. and Mrs. George Hampton, at Jeremiah.

Mr. and Mrs. L. D. Caudill and family are visiting his mother, Aunt Mary Ann Caudill.

Sunday evening visitors with Mr. and Mrs. Oscar Back were Mr. and Mrs. Carl Back and sons, Mr. and Mrs. Willie Back and son, Mr. and Mrs. Carl Adams, Mr. and Mrs. Green Back, Lettie Adams and daughter, Minnie and May Adams, Mr. and Mrs. Obie Stewart, Miss Inis Adams.

There was church at Mr. Green Back's Friday night with six preachers. They were Mr. James Fields, Critt Eldridge, Willie Back, Frank Caudill, Carl Back, Jim Caudill.

Mr. Henry Hampton and

Corn Champion "Pours On"
Nutrients for Prize Yields

Corn King Willard Kirk shows his championship exhibit of ears.

WILLARD C. KIRK, America's new Corn King, says that good soil structure, plenty of organic matter and a "pantry-full" of plant nutrients were decisive factors in helping him produce his championship corn. Kirk, who farms 335 acres near Jeffersonville, Ohio, won the corn crown at the recent International Hay and Grain Show of the International Livestock Exposition in Chicago.

The new champion builds and maintains his soil's fertility level by a "put-back" replenishment program. This includes regularly feeding the soil a well-balanced supply of nitrogen, phosphate and potash fertilizer. It includes liming at least every three years.

The program also involves returning all the manure from Duroc hogs, sheep and a herd

of Shorthorn beef cattle; and following a rotation that gives a soil-building legume crop two years out of four.

Kirk's corn yields averaged about 90 bushels per acre. His prize-winning corn was grown on land plowed out of an alfalfa-clover sod that had been in meadow for two years. Before seeding, Kirk discd in 100 pounds of ammonium nitrate. Then he added 200 pounds per acre of a complete fertilizer carrying nitrogen, phosphate and potash.

Kirk reports that the best farmers in his home community of Fayette county, Ohio, are firm believers in the use of fertilizer. "Not only are they increasing the amount of fertilizer they add for their crops," he said, "but they are turning more and more to higher ratios of plant nutrients."

McTigue, Is Radio
Chairman for Combs

Louisville, Ky., June 6 — Harry McTigue, president and general manager of radio station WENN, Louisville, will be radio chairman in the campaign of Bert Combs for Governor.

The announcement was made here today by Rumsey B. Taylor, Combs' state chairman.

McTigue, who has been with the station here for the last 12 years, will work on scheduling radio time and on radio publicity, working with Herndon Evans, Pineville, press chairman.

McTigue is a past president of the Kentucky Broadcasters Association and is engaged in numerous charitable and civic activities in addition to broadcasting. This is his first active venture in a state-wide political campaign.

He is known to thousands of sports fans in this area because of his announcing of local athletic contests. He broadcasts football and basketball games in the fall and winter and is currently calling the Louisville Colonels' baseball games.

Announcing the
Adams, Webbs, Crafts
Annual Re-Union

To be held at the Webb Cemetery, Sunday, June 26. Program will start promptly at 10:30 C. S. T.

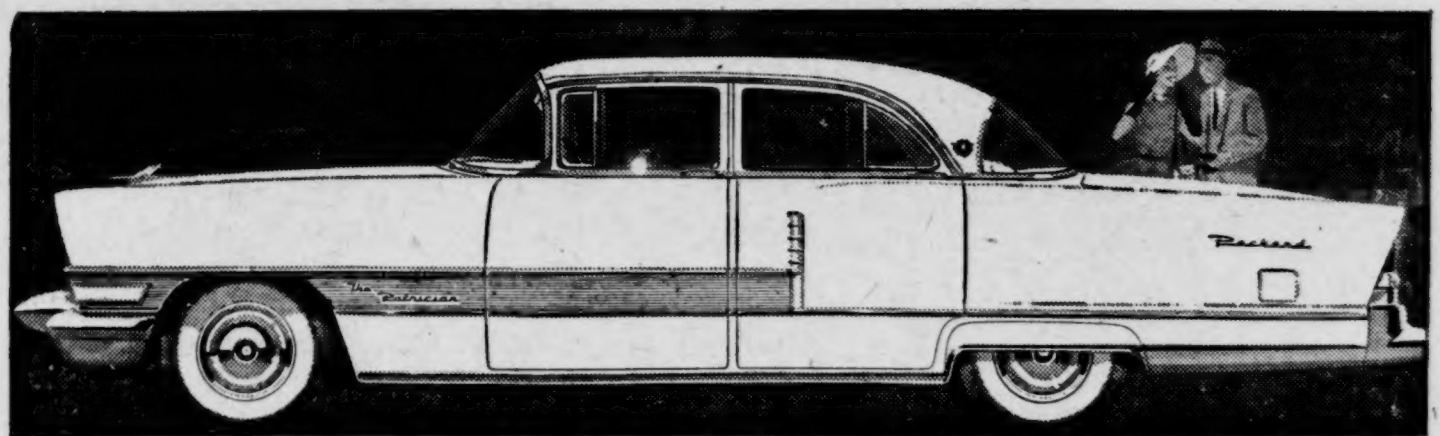

It is expected that this will be the largest reunion of these three distinctive families since its inauguration.

The Program Committee has promised an interesting program. It is hoped that all the members, descendants, and friends of these respective families will come and enjoy this annual get-together.

There will be a dinner on the ground after the program with lots of good things to eat. You are invited to bring a basket if convenient to do so.

The program will be announced in the next issue of The Mountain Eagle.

the New PACKARD
with Torsion-Level Ride

260 HORSEPOWER PACKARD "PATRICIAN" — "ASK THE MAN WHO OWNS ONE"

SMOOTHES THE ROAD... LEVELS THE LOAD... Automatically

Rest assured... with Packard Torsion-Level Suspension you get the most relaxing, most reassuring ride on any road today!

Packard eliminated conventional coil and leaf springs, and designed Torsion-Level Suspension not just for cushioning effect, but to absorb all twisting forces due to up-and-down wheel movement... the same twisting forces that in other cars pitch and bounce the passengers, wrack the car frame and body.

A unique power-controlled Levelizer keeps the car automatically at ideal ride

level, no matter what the passenger or luggage load.

Packard created a new "free-breathing" V-8 engine, unleashing up to 275 horsepower, and delivering more driving force to the rear wheels at all road speeds than any car! Packard's Twin Ultramatic, smoothest of all automatic transmissions, gives you your choice of starts!

The new Packard is a matchless blend of grace and spirit, luxury and good taste... truly, the one new car in the fine car field. Let us arrange a revealing test ride for you today!

We invite you to

Managerial Trainees

A large and fast growing
company is now selecting cap-
able managerial personnel in
preparation for a huge expan-
sion program. Our president
has chosen Kentucky as one of
the manager trainee states.
Our owners have given us di-
rect orders that we will defi-
nitely be in operation in 28
additional states by July, 1956.

Fellows, this is an order.

We have been asked to se-
lect capable men to fill out-
standing positions immedi-
ately. Men qualifying for these
positions will be given full
class and field training with
salary and bonus arrange-
ments of \$100 per week or
better with possibilities of
still further advancement in
a very short time.

MR. SANFORD ADAMS
at the Daniel Boone Hotel—
Room 204, Saturday, June 11
from 10:00 a.m., to 4 p.m.—
One Day Only. 1xc-9

First Row from Right to Left: Prof. Kendall Boggs, Kathleen Adams, Arbadella Pigman, Kaye Moore, Ramona Sturgill, Lucille Bates, Norma Cole, Barbara Holstein, Patricia Franklin, Elona Holstein, Peggy Gibbs, Ann Brown, Lillian Fraley, Jewell Logan, Billie Steve Amburgey, Ann Lewis. Second Row, Left to Right: Windus Franklin, Cecil Barnes, Lonny Gibbs, Donald Walker, Maurice Moore, Charles Adams, Douglas Banks, Don Webb, Jimmy Giles, and Hugh Adams.

The Chorus Members above and others posed with Prof. Boggs and Chorus Director Hugh Adams, sang in the All-Festival Chorus at Corbin. This was the largest group ever to represent Whitesburg High School in the All-Festival Chorus, Eight Sopranos, eight altos, eight tenors, eight basses. Mr. Adams completed his 15th year in the Whitesburg Music Department. In September he will be enrolled at the University of Kentucky to work on his Master's Degree under the GI Training program. Mrs. Adams has completed her 5th Annual Dance Revue at Whitesburg. She will teach private dancing classes in Lexington next season. Some of her Whitesburg and Hazard pupils will continue their work in her Lexington classes.

Dancers Presented At Hazard Homecoming Event

These young dancers of Suzanne's School of Dance at Whitesburg and Hazard, appeared on the Hazard Amateur Show and Beauty Pageant in the Hazard High School Auditorium on May 26th. Several of the group entertained in the Lawn Dances at the home of Mrs. W. P. Nolan at the Woman's Club Breakfast on May 28th. They also danced in the Music Festival at Corbin, Ky.

Left to Right, First Row: Linda Jo Brewer, Mary Spencer, Evelyn Johnson, Lawanna Collins, Shirley Boatright and Molly Ann Eversole. Second Row: Lucy Carol Johnson, Ann Holliday, Pamela Russell, Donna Combs, Jeanie Hall, Christina Taulbee, Mahala Reynolds, Judy Barrett, Millie Stevens, and Emily Payne.

BOTTOM FORK SUNDAY SCHOOL

The Bottom Fork Sunday
School was given a picnic to
celebrate their first year at
being a Sunday School. It was
given Sunday after Sunday
School by Noah and Betty
Lou Holbrook.

Mr. Don Collins, our super-
intendent, is doing a wonder-
ful job. There were thirty-
eight present Sunday and ev-
eryone had a good time sing-
ing and playing games.

Hot Dogs, cake and kool-aid
were served. The cake was
baked by Mrs. Alvin Holbrook
and was very delicious.

This will probably be our
last social until July 31st
when all the missions will
have one together. We will
certainly be looking forward
to this.

The transportation was
furnished by Don Collins,
Noah Holbrook and John
Stewart.

Nathaniel Features Unusual Speakers

Camp Nathaniel's annual
Bible Conference will begin
the evening of June 29 and
continue through July 5.
Evangelistic meetings, Bible
classes, missionary messages,
inspiring music, children's
meetings, and an all-around
recreational program for all
ages will be featured.

The Rev. Walter S. Olsen,
missionary to India, will bring
challenging missionary mes-
sages each day. Mr. Olsen has
served in various phases of
aggressive missionary work—
especially with the youth of
India. His visits to the Evan-
gelical Alliance Mission fields
in So. America, South Africa,
Southern Rhodesia, and Ja-
pan have given him a greatly
enlarged vision of the world-
wide needs of the Gospel and
what is being done to make
Christ known.

The Rev. Gavin Hamilton,
British-born evangelist, auth-
or, Bible teacher, and world
traveler will speak. Evange-

list Hamilton was formerly
Director of Youth for Christ
in Great Britain and was re-
sponsible for Billy Graham's
first city-wide campaigns in
Britain.

The Rev. Bill Stevens of
Charleston, W. Va., Vice-Pres-
ident of Youth for Christ In-
ternational and director of
the South Central Region will
also speak. Not only does he
preach, but he is also an ex-
cellent song leader, vocal so-
loist, and plays the trumpet
and musical saws. His wife,
Sylvia, accompanies in all the
meetings and assists at the pi-
ano as well as harmonizes
with him in vocal duets.

Special children's meetings
will be held by capable and re-
sponsible workers while par-
ents attend the adult sessions.
Camp Nathaniel's varied
recreational facilities include
swimming, softball, volley-
ball, and shuffle board.

Camp Nathaniel Day will be
celebrated July 4. Sunday
Schools and church groups
are especially invited to bring
a picnic lunch and spend the

day.

Sleeping accommodations for
families and individuals are
available. There is no charge
for lodging and meals but
freewill offerings will be tak-
en daily to defray expenses.

Listen for further announce-
ments over Club Clock Time
on Station WKIC, Hazard and
Hymn Time on Station WT-
CW, Whitesburg.

Crippled Children's Clinic Tues., June 21.

According to the Letcher
County Health Department
Dr. Murphy and Doctor Yo-
cum, orthopedic surgeons of
Lexington will conduct a
clinic for crippled children at
the court house in Whitesburg
on Tuesday, June 21st, start-
ing at 9:00 A. M. All chil-
ren in Letcher county with
any crippling condition
should attend this clinic,
states the Health Depart-
ment.

The Whitesburg Woman's
Club members will assist with
this clinic. Children who
need hospital care will be sent
to Lexington for corrective
treatment.

Plant Food Plus Enough Stalks Key To Top Corn Yields

Good management gives extra
bushels of corn per acre.

IF YOUR sights are set for top
yields per acre on the acres
you have in corn this year, here
are some suggestions from the
Middle West Soil Improvement
Committee, based on reports
from Corn Belt agronomists:

1—Keep your soil's fertility
level high by adding plenty of
fertilizer. A soil test can be a
good guide in suggesting the
amount and kind of fertilizer
needed to supply the corn plants
with all the nitrogen, phosphate
and potash they need for high
yielding growth. Many farmers
find it pays to plow down a com-
plete fertilizer before planting
time, then add a starter in the
row and side dress later with
extra nitrogen.

2—Plant enough stalks to
match the soil's nutrient and
water supply. Many farmers
lose profits by not having a large
enough stalk population to make
full use of the plant food and
water available.

3—Add regularly to the soil's
active organic matter supply.
This can be done by returning
manure, plowing under crop re-
sidues and "green manure" crops
and growing sod crops regularly
in the rotation.

4—Use mechanical conserva-
tion methods such as contour-
ing and strip cropping, where
needed, to combat erosion and
save more rain for your crops.

5—Plant proved, high yielding
hybrid strains.

All these steps are important
in getting top yields, but the cor-
nerstone of the entire program
is high soil fertility accompan-
ied by a stalk population big
enough to match the soil's corn
growing ability.

Camp Branch

N. SERGENT

Sunday School attendance
for June 5 was 34.

Mr. and Mrs. W. M. Breed-
ing had as guest on Sunday,
Mr. and Mrs. Billy Paul Col-
lins and children, Mrs. Clara
Collins, Mrs. Charlie Breed-
ing and Bob, Mr. J. M. Clay.

Mr. and Mrs. Enoch A. Ser-
gent and Nannie Lou, had
as Sunday dinner guests, Mr.
and Mrs. Bill P. Sergeant and
Billy Darrel.

Mr. and Mrs. Ralph Clay
and girls had as Sunday din-
ner guest, Rev. E. C. Watts.

Mrs. Ralph Clay and girls
visited Mr. and Mrs. E. A.
Sergent and Nannie Lou Mon-
day.

Rev. E. C. Watts returned
home Sunday afternoon after
a week's visit with friends.

Rev. Bob Martin is still
holding a revival at the Camp
Branch Chapel. Services start
at 7:00 o'clock. Everyone is
invited to come.

Mr. and Mrs. Arnold Lowe
and boys visited Mr. and
Mrs. Ernest Lowe and family over
the week-end.

Mrs. Andy Bowens visited
Mr. and Mrs. E. A. Sergent
and Nannie Lou, Tuesday.

Hazard Couple Reviews Beauty And Poverty Of Hong Kong

(from The Hazard Herald)
Peninsula Hotel
Kowloon, Hong Kong
May 19, 1955

When you were a child did you ever look thru a Kaleidoscope, and the more you turned it, the more interested you became—and you never wanted to put it down because you didn't know just what new color combinations were going to develop?

Well, that is Hong Kong to us. We have been here two weeks and it is hard to go to bed at night because we are afraid that we shall miss something interesting.

We have a room at the Peninsula Hotel with a balcony which overlooks the harbor and we get up thru the night and look out to see what new ship might be passing thru. Hong Kong is a busy seaport. We have seen flags of all nations going by.

Yesterday there were 20 ships that went thru. Nothing looks so good to us tho' as our own Navy ships, six which seem to be permanently located. We watch our boys, thru our binoculars, daily come and go and wonder if any of our Hazard boys are in the group. The other morning we went down to breakfast and there was a group of officers having breakfast here. We looked them all over to see if Bob Foreman could be one of them.

The first four days that we were here they were having monsoon rains and it really rained—day and night it poured. Twelve inches of rain were registered. We didn't venture out for two days, but then we just put on old clothes, raincoats and boots and waded thru. Most of the streets are covered, as a protection—against the sun, and the native sock menders, shoemakers, letter writers and numerous others ply their trades right on the sidewalks—not to mention the many beggars who follow you for blocks. Some of these beggars will be lying flat on their faces in the middle of the sidewalk moaning and making the most terrible cries. It seems to us that we have seen humanity at its lowest level here.

Of course, there were not quite a million here in Hong Kong and now there are two and a half million, most of whom are all out of jobs. When you think that we have only about two million in our whole United States out of jobs, then you realize what a problem the English have here with one and a half million jobless.

This island, and its adjoining territory on the mainland, is only about 333 square miles, (1/10 the size of Kentucky) and with all these people, you can see what a seething mass it is. They sleep, eat, cook, and live in the smallest of cubicles—in the stores and over and under them. We are told they average five to a room. There were a thousand more born a month than die so we are wondering how they are going to have their rice if conditions continue for many years.

They cook and eat so much right on the streets. Groups will be sitting down, each with his rice bowl with a few shrimps on top, and using his chop sticks to perfection. We have made several pictures of small children walking along eating their rice.

There is a very interesting settlement on the water. They are all fishermen. They eat, sleep, live and die on their sampans. The men go to the deep sea for fishing, while the women and children stay with the sampans, and they are always moving around like ants in an ant hill. Some are selling fruits, others vegetables, and all kinds of commodities are exchanged. The mothers tie the babies to their backs and the younger ones who are too small to row, they tie to the poles and away they go rowing around.

Of course, it is not all poverty and coolies.

There is an extreme oppo-

site here and the Rotary clubs represent them. They are the tycoons of the island. There are four Rotary clubs and their members, are all very high class Chinese or English professional or business men. They live on top of the mountains in beautiful apartments—very few houses for individual families. We see many cars of all makes and one can always get a taxi but we prefer ricksha. There are more than a thousand of them and when we start out of the hotel it seems that half that number are clamoring for our business.

We love the "Missy" here, it was "Madame" in Japan but here, does "Missy" want to go up, did "Missy" have a good night? etc.

The sightseeing here is very limited. We did go to see a very famous garden which was built by a patent medicine multi-millionaire. He attempted to make a memorial to his parents out of part of it and the other part looked as if it was built for the Wizard of Oz. The home where his four widows still live tho' is a collection of the rarest of art.

We drove out the other morning to the limits of the colony where the barbed wire warned us that beyond that was Red China. We could look over and see their Red Flags flying, and their men and women working in their fields, but the police didn't have to tell us to go on farther.

The Rice fields are so pretty now. We had a nice ride out thru the villages and small farms. It seems that they do everything in such a hard way. Their plowing is so antiquated as well as all of their implements.

The shops here are always a source of interest. They have such beautiful things and everything is so cheap. The brocades and ivories, the linens and teakwood all make us wish we could charter a ship and bring them home. It is surely a shopper's paradise.

Prices of everything is the opposite extreme of what we found in Alaska. Haircuts are 25 cents, Manicures 20 cents, cleaning and pressing a suit 45 cents and it only cost us 1 3/4 cents to ride on a street car. Chinese food is very reasonable, also, if we eat out in their restaurants, but after a few nights of Peking duck, sweet-sour pork, rice and shrimps, our hotel dining room with its European food seems like an oasis.

This hotel is quite English and comparable to the Brown in Louisville. We have our English tea hour each afternoon and as long as we are in the hotel we never know that the need is so great among the masses.

We have enjoyed our visit here and feel that a person who comes to the Far East without coming to Hong Kong misses one of the most interesting cities in the world.

We are flying back tomorrow to Tokyo, going down in Formosa for lunch, as we came down we had breakfast in Formosa—in Taipei, the capitol. Although we had to close our curtains in our plane as we landed and took off, we did peek out and saw beautiful green well-kept farms. They, too, were all tilling their rice fields.

The island is very mountainous and rough with small valleys. The mountains look as if they were all covered with trees.

For breakfast that morning they brought us yellow watermelon which we had never seen before—and the sugar of our coffee looked like crushed rock candy. The meat which they served us for bacon was salami, not much of a western breakfast.

Again we say, regards to everyone.

Most sincerely,
Letitia and Leland Stiles.

(We are taking the liberty of re-publishing this interesting article. Knowing Mr. and Mrs. Stiles personally, and knowing

the Herald as we do we feel sure it will meet with their approval).

JENKINS

(Delayed)

Jenkins Schools are reported to have had one of the finest closing sessions in the history of the school district. The several school principals, superintendent of schools and the director of pupil personnel are all busy completing records which must be in this year before June 10. This new requirement is a result of information needed to implement the new law governing the Foundation Program of Education.

For the first time in the history of the school district an attempt will be made to organize and operate a summer school for high school pupils. Homer C. Davis, Principal of the Jenkins High School, assisted by three or four teachers will be in charge if a sufficient number enroll to warrant a summer term. Credit may be earned up to one full high school unit. The enrollment day will be June 3.

The Jenkins Band will begin its summer school work on June 6. Band Director, Jack McCarty, has issued a call for all those who are interested to meet him in the Jenkins Band Room on June 6th.

Doris Ann Davidson, Shirley Jo Wojciechowski, Martha Farley, Mrs. Mallie C. Turner, Home Economics teacher, and Superintendent C. V. Snapp attended commencement exercises at Union College Tuesday, May 31. Shirley plans to enter Union College in September.

Homer C. Davis was in Lexington over last week-end and on Monday, May 30 was one of the more than eight hundred students to receive a degree from the University of Kentucky. Mr. Davis received his Master's Degree at the annual commencement exercises.

Mrs. C. V. Snapp is now in Tucson, Arizona, visiting Mrs. Vertice Howard with whom she will return to Kentucky

about June 15th. Mrs. Snapp has been in Phoenix, Arizona for the past several months. Mrs. Howard is a teacher in the Tucson Public Schools where she has been employed for the past eight years. She is a sister of Mrs. L. C. McClelland of Jenkins.

The last wrestling match conducted by the Jenkins Kiwanis Club and the American Legion was quite a success. These two organizations appreciate the patronage of the people living in this area and wish to assure those who attend the wrestling matches that any money received will be used for the improvement of the building and for youth work in the Jenkins community. The next wrestling match has been scheduled for June 11th at 8:30 p.m. In all probability the card will consist of four women thus making possible two singles and a tag match.

Larry Hillman received his degree in music from Morehead State College on June 1. It is reported that he has accepted a position as director of music at Bath County High School, Owingsville, Kentucky. Larry has made fine progress in his music work at Morehead.

HAZARD - - - - KENTUCKY

An Electric Range can't make dirt

You trust your finest linens to your electric iron...because you KNOW it just can't make dirt.

Ever realize that the cooking units of an electric range make heat in the same quick, flameless, dirt-free way!

Remember, too...an electric range gives you the exact heat for each cooking job, like an electric iron gives you the right heat for each fabric.

Once you try clean, modern, electric cooking, you'd no sooner change back to other methods than you'd go back to primitive ways of ironing clothes. See your electric range dealer today.

BE MODERN...
Cook Electrically!

Kentucky Power Company

Here's where all that wonderful performance begins!

They're all true—all the wonderful things you hear about Pontiac's great performance.

The way it sweeps uphill or down with the same effortless ease. The tremendous burst of passing power that answers the nudge of your toe. The thought-quick response in stop-and-go traffic that makes the car seem part of you. The smooth, quiet way it goes about its business however hard or far you drive.

Lift the hood of a Pontiac and you'll be face to face with the reason. That compact power plant nestled there may look much like other V-8's—but that's where your eyes deceive you!

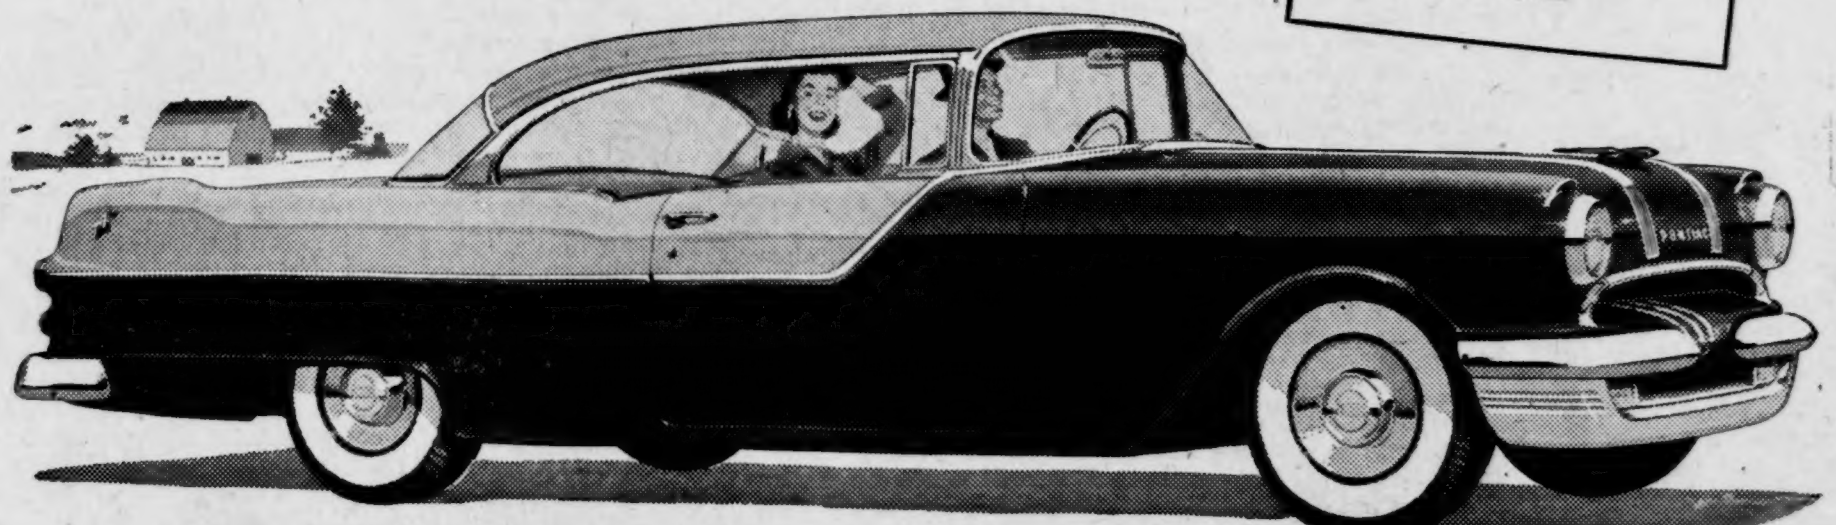

The Strato-Streak V-8 is in a class all by itself—filled with engineering "firsts" that make it the mightiest engine ever to appear

in Pontiac's price field. And it's one of the many Pontiac advantages you can't get anywhere else. Pontiac alone gives you the terrific drive of Strato-Streak performance.

This sensational performance, remember, comes in a distinguished, future-fashioned beauty that is tagged with a price any new-car buyer can readily afford.

Here's your wide-open invitation to come in and try the result—the fastest-selling Pontiac of all time. The car is ready whenever you are! Make it soon.

Pontiac

Most Modern Engine in Any Car

THE STRATO-STREAK V-8

The Strato-Streak V-8 is one of the great landmarks of automotive progress—the newest and most advanced engine you can buy. Standard with all three lines of Pontiac, it develops 180 H.P. and reaches a blazing 200 M.P.H. with the four-barrel carburetor, optional at extra cost. Either way you get the most power per dollar delivered by any car at any price.

Kyva Motor Company, Inc.

Railroad and Madison Sts.

Whitesburg, Ky.

MEN IN SERVICE

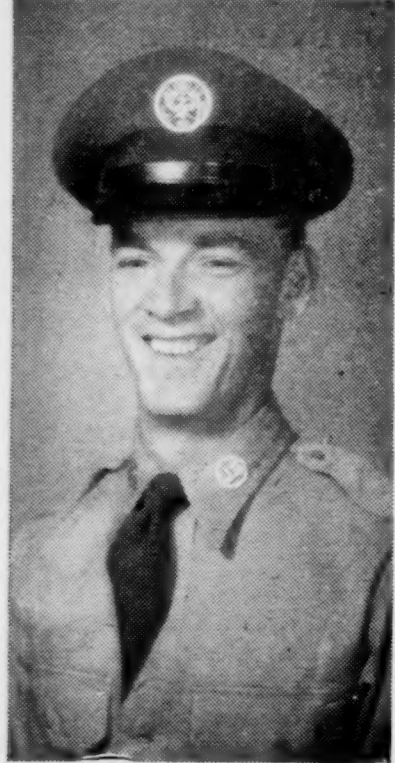

ADJUTANT GENERAL
SCHOOL GRADUATE

Fort Benjamin Harrison, Ind. — Sergeant First Class Geo. A. Davis, whose wife, Konradina, lives on Cowan St., Whitesburg, Ky., recently was graduated from The Adjutant General's School at Fort Benjamin Harrison, Ind.

He completed the enlisted recruiting course.

Davis entered the Army in 1939 and was last stationed at Fort George G. Meade, Md.

AT AMARILLO AFB—

Airman Third Class Ronald E. Craft, AF 15535392, son of Mr. and Mrs. Bennie Emil Craft, Colson, Ky., and husband of Mrs. Ronald E. Craft, Whitesburg, Ky., is presently serving at the Amarillo Air Force Base, Amarillo, Texas, as a student of the Jet Mechanics Course, according to a recent announcement by Brig. Gen. Walter A. Agee, Base Commander.

He was enlisted in the U. S. Air Force on February 4, 1955 at Whitesburg, Ky. He received his basic Air Force Training at Sampson AFB and arrived at Amarillo Air Force Base on May 10, 1955.

Before entering the Air Force, he attended the Knoxville Welding School, Knoxville, Tenn.

Often referred to as the Air Training Command's "model" base, Amarillo Air Force Base is the nation's only training center devoted exclusively to the training of jet fighter and bomber mechanics.

Sampson Air Force Base, N. Y. — Airman Basic Jack Sandlin, son of Mrs. Minta Sandlin, Buckhorn, Ky., is undergoing basic military training at Sampson. He enlisted March 9, 1955, and is a member of the 4211th flight here since the base's activation in December, 1950.

MEMBER 3RD ARMORED

Fort Knox, Ky. — First Lt. Rodolph Mullins, 27, son of Thomas M. Mullins, McRoberts, Ky., is a member of the 3rd Armored Division at Fort Knox, Ky.

Lieutenant Mullins entered the Army in 1945 and wears the Bronze Star Medal, the UN and Korean Service Ribbons and the World War II Victory Medal.

Mullins' wife, Ellanora, is living in Neon, Ky.

Sheppard AFB, Texas — A-3c Virgil L. Anderson, son of Mr. and Mrs. W. F. Anderson, Box 438, Fleming, Ky., has entered the United States Air Force Technical Training School at Sheppard Air Force Base, located near Wichita Falls, Texas. A part of his basic skills will include work as an Aircraft and Engine Mechanic. He entered the Air Force on January 18, 1955.

IN EXERCISES

Schweinfurt, Germany — Sergeant First Class Charles H. Frazier, son of Mrs. Arminda Frazier, Premium, Ky., recently participated in a 1st Infantry Division field training exercise in southern Germany.

Men of the "Big Red 1" division practiced attack, defense and withdrawal tactics.

They received pre-planned artillery support from Frazier's unit, Battery A, a part of the 7th Field Artillery Battalion.

The 37-year-old soldier, a section chief, arrived overseas in February 1953 from Fort Bragg, N. C. Frazier has been in the Army since 1935 and his decorations include the Good Conduct Medal.

A Letter from

Mrs. E. C. Rogers

The following letter from Mrs. E. C. Rogers (Mary Bell) was received by Miss Ann Dugan recently. Mrs. Rogers, Lt. Col. Rogers and four children have been living in Germany for the past three years, but recently arrived in the States. Mary Bell was Letcher County Home Demonstration Agent here and has many friends in this section who are glad to hear from her, but regret that she lost her mother soon after her arrival in the States. The letter is as follows:

Dearest Dugan:

It was so nice to get your letter yesterday and, strange to say, I had thought of you all morning. I must write you a letter now that I didn't see you, somehow it was always in the back of my head that we'd be in Whitesburg and Letcher County. I guess after being away from America almost three years, I still don't feel as though I've seen "all home" yet because we didn't come.

But, Dugan, my mother died exactly a month after we got home. We reached home on March 25th. Mother, dad, sisters and brothers had gathered home to give us a welcome, and to me both Mother and Dad seemed so well. We did enjoy them the first two weeks, we just sat around and visited and did very little work. She did enjoy the children—you know she had not seen Pamela. Pam would fold her hands in front or behind her and follow mother around, she really won mother and dad. Pamela is the 15th grandchild. Mother became suddenly ill and only lasted two weeks. The doctor after x-rays and examinations decided it was an extreme case of rheumatism and was doctoring her for that. She was improving almost faster than we could hope the last five days. Then a turn for the worst and she only lasted about 15 minutes. Dad is living with my sister, he hasn't been too well.

Our trip over was all right—not as nice as the one over by plane. We were nine days on the ship and about the 4th day we really had a siege of sea sickness. Phil said, "after enduring it awhile, 'Now I didn't get on this old boat to get so sick, now, why didn't you send me by telegram.'"

We came on to Albuquerque, May 10th and so far we like it, better than any assignment.

Give my love to—well I can't name them all—just say love and greetings to all our Letcher County friends, and give our new address. We would be so happy to have a visit from any of you.

TRANSFERRED—

Airman Third Class Earnest L. Lively, USAF, McRoberts, Ky., son of Mr. and Mrs. Clarence Lively, McRoberts, Ky., has been transferred from Chanute Air Force Base, Illinois to 3750th Technical Training Wing, Air Training Command, Sheppard AFB, Texas for assignment. Airman Lively who entered the Air Force, August 20, 1954, received his basic training at Sampson AFB, New York. He has been assigned to Aircraft Reciprocating Engine Mechanic duties with 3750th Tech. Trng. Wg. Before entering the Air Force, he graduated from Jenkins High School, Jenkins, Ky.

Major Wm. G. Kiefer
Speaks at Manchester
KWA Meeting June 13

Major William G. Kiefer, Assistant Chief of Police, Louisville, and President of Boys' Clubs of Kentucky, will speak on "Juvenile Delinquency and How to Prevent It" at a dinner meeting of District 9 of the Kentucky Welfare Association, June 13, 7:00 P. M., at the Lunch Room of the Manchester School, Manchester.

Mr. Bige Hensley, president of the First State Bank of Manchester will welcome the group and introduce the speaker. The public is invited to this meeting.

Major Kiefer originated and was the Director of the Crime Prevention Bureau in Louisville from 1943 until he was made Assistant Chief. He is a lecturer on the staff of the Southern Police Institute at the University of Louisville. He is one of two Kentuckians who has been awarded the Silver Keystone for outstanding work with boys. This is an honor given by the Boys' Clubs of America.

The Kentucky Welfare Association is composed of business, city and county officials, ministers, health and welfare workers, teachers, civic club leaders and other laymen who are interested in the following counties are invited: Lee, Wolfe, Owsley, Breathitt, Leslie, Perry, Knott, Letcher and Powell.

Manchester was selected as the site for the meeting because of the expressed interest of church groups, men's civic clubs, leaders of women's clubs, city and county officials, veteran and fraternal organizations in developing a community program for boys which will prevent delinquency in Clay County.

Coal requirements for 1975 are estimated at 815,000,000 tons, of which 35 per cent—the largest portion—will be burned to produce electricity. Other major consumers will amount to 65 percent.

More Than 850
Win UK Degrees

A total of 857 students received degrees at the University of Kentucky's 88th annual commencement program held Monday morning, May 30, at Memorial Coliseum in Lexington.

Dr. Harlan Hatcher, president of the University of Michigan, delivered the commencement address. UK president H. L. Donovan presided at the ceremony.

University Registrar Robert L. Mills reported that this year's class includes graduates from 99 Kentucky counties, 27 other states, the District of Columbia and five foreign countries. Seventeen doctorates, 138 masters and professional degrees and 719 bachelors degrees were awarded, he added.

Those from Letcher County receiving Bachelor of Arts Degrees, Tommy Edwards, Jenkins; William Halcomb, Ulvah; Raymond Harris, Mayking; Ronald Kincaid, Clyde Collins, and Donna Adams, all of Whitesburg; Robert Varson, McRoberts; Homer Davis, Jenkins, received Master of Arts in Education; Paul Hunley, Whitesburg, Bachelor of Law Degree.

OBITUARIES

(Reported by Craft Funeral Home, Whitesburg and Neon, Ky.)

James Henry Ingram

James Henry Ingram, age 50 years, died at the Sharon Heights Hospital on Sunday, June 5th. He was a miner by occupation and is survived by his wife, Eva Ingram, and one brother, Hiram Ingram of Linefork. Funeral services and burial took place at Linefork on Tuesday.

James Whitehead

Funeral services for James Whitehead were held at the residence at Blackey on Sunday, June 5th at 10:00 a.m. Mr. Whitehead passed away at his home on Saturday. He was a miner and is survived by his wife, Lula Day Whitehead, four sons, Wade, Arlie, Estill, Bascom and one daughter, Mrs. John Hibbard.

James Zideroff

James Zideroff, a resident of McRoberts for many years passed away on Saturday, June 4th at his home in McRoberts. He was 63 years old and a retired miner, having worked for the Consolidation Coal Co. for many years. Survivors include the wife, Myrtle Caudill Zideroff and the following sons, James, Roger and Danny of McRoberts and Edsel, U. S. Navy. Funeral and burial services were held at McRoberts at 11:00 o'clock on Monday.

William Henry Yonts

William Henry Yonts, age 66 years, died at his home on Goose Creek on May 26th. He was a miner by occupation and is survived by his wife, Martha Yonts and the following sons: Edgar and Everett of Flint, Michigan; Dawes of Neon and Billy at home. One daughter, Mrs. Tom Perryman of Flint, Michigan, also survives. Funeral services were held on the 28th with Whitesburg Masonic Lodge No. 754 in charge. Ministers officiating were Ed Halcomb and Chester McFall. Burial took place in the family cemetery at Goose Creek.

Grover Lacey Perry Fagan

Grover Fagan, age 47 years, passed away at the Fleming Hospital on June 6th following a heart attack. Mr. Fagan a native of Tennessee, was employed as a tractor operator for the Blair-Gem Coal Co., at the time of his death. He is survived by his wife, Lexie Johnson Fagan and one daughter, Ruth. Funeral services were conducted at the Craft Funeral Home Chapel by the Rev. C. A. Lingle and Bob Sexton on Wednesday. Burial took place at the New Bethel Cemetery in Tennessee. Craft Funeral Home in charge.

DR. COWLES TO SPEAK AT HEART ASSOCIATION LUNCHEON, JUNE 23RD

Louisville, Ky., June 6 — Dr. E. Cowles Andrus of Baltimore, president of the American Heart Association and one of the nation's leading cardiologists, will deliver the principal address at the 12:15 p. m. luncheon session of the Kentucky Heart Association's Annual Meeting in Louisville on Thursday, June 23, at the Roof Garden of the Brown Hotel.

"Research Frontiers in Cardiovascular Disease" will be Dr. Andrus' subject. A distinguished lecturer and teacher, Dr. Andrus currently holds the post of Associate Professor of Medicine at Johns Hopkins University. He also is Physician-in-Charge at the Adult Cardiac Clinic at Johns Hopkins Hospital and Consultant in Cardiology at Walter Reed Army Hospital in Washington.

Women are capable of making men feel like a king or she can wrap him around her finger like a paper string.

SUNDAY SCHOOL LESSON

INTERNATIONAL
UNIFORM SERIES

Rev. C. A. Lingle, Jr.

JUNE 12, 1955

LESSON VERSES: — II
Chronicles 34, Nahum. (To be read and studied in your Bibles.)

PRINTED SCRIPTURE: II
Chronicles 34:1-12a.

There were several boy kings of Judah. Joash, Uzziah, Manasseh, Josiah, all came to the throne while still very young. Josiah began his reign at the age of eight. Of course a young boy could not actually rule the nation. It was done for him by regents. The regents that ruled for Josiah represented the heathen element of the people and for some eight years they were able to have their way. When Josiah became sixteen he realized that there was a true religion and came out boldly on the side of the Lord. At eighteen he came into full power and began the reform that was to change the religious life of his people.

His was a true purge of idolatry. Laws were passed and after driving the idols from the nation he sat about repairing the Temple which had fallen into ruin during the two hundred and fifty years that had transpired since Joash. It was in this repairing that the real light that was to make such a change in Judah was found. Workmen, cleaning out the rubbish, found the "Book of The Law." It had been lost for many years. Realizing that something of importance had been found, Josiah consulted the prophetess, Huldah. She upheld the integrity of the law and declared its validity for the day.

Josiah called the authorities together and with them entered into a solemn covenant to follow the Law of God. That covenant was kept during his whole lifetime.

BIBLE QUIZ

A. F. BARKER

Q. Who was Job?

A. "There was a man from the land of Uz, whose name was Job; and that man was perfect and upright, and one that feared God and eschewed evil." (Job 1:1)

Q. What is said of his family and prosperity?

A. He had 7 sons and 3 daughters. He had also 3,000 sheep, 3,000 camels, 500 yoke of oxen, 500 donkeys, and a very great household; so that this man was the greatest man in all the east." (Job 1:2-3)

Q. What theory did Satan have about Job and his prosperity?

A. He is good because he is prosperous. Said he to the Lord, "If you will take away everything he has he will curse you to your face." (Job 1:9-10)

1:11).

Q. To test Job's faith what did the Lord allow Satan to do?

A. Take away his family by death and destroy all his wealth. (Job 1:20-21)

Q. When everything was gone and Job was left alone what did he do?

A. He fell down upon the ground and worshipped and said, "The Lord gave and the Lord has taken away; blessed be the name of the Lord." (Job 1:20-21)

Q. When the Lord met Satan the second time of what did He remind him?

A. That he still holds fast his integrity. (Job 2:3)

Q. What further did the Lord allow Satan to make?

A. Afflict him with sore boils from head to foot. (Job 3:7)

Q. With everything gone including his health how did Job react to such a situation?

A. He said, "Even though he slay me yet will I trust Him." (Job 13:15)

Q. In the end what is said of Job when he was restored again to health, wealth and prosperity?

A. "The latter end of Job was better than the first." (Job 42:12)

Q. What do we learn from the book of Job?

A. Faith in God and patience in suffering. "I will never leave you nor forsake you." (Hebrews 13:5)

Obituary Of Sarah Blair Boggs

Sarah Blair Boggs, 79, died at her home, May 3, while sitting at the dinner table, from heart attack. The daughter of Jack and Minerva Blair and was the widow of Andy Boggs, who preceded her in death about three years ago. Mrs. Boggs was survived by three sons, Conley, Everette and Charlie, one daughter, Callie, never married, lived with her mother; one brother, D. D. Blair, Eolia, Ky.; three sisters, Mrs. Rex Shepherd, Partridge, Mrs. Alice Ward, Mrs. Polly Ann Williams, Dunbar, Va.; and seventeen great grandchildren and 27 great great grandchildren. Ministers at the funeral were Rev. Caleb Creech, Dave Maggard, William Boggs. Burial in Boggs Cemetery, Eolia, Ky., with Johnson Funeral Home, Whitesburg, in charge.

Cook To Be Here, Wed., June 15

Mr. D. B. Cook, a Contact Representative of The Kentucky Disabled Ex-Service Men's Board will be present on Wednesday, June 15, at the Court House in Whitesburg to assist veterans and their dependents with claims for benefits due them as a result of their military service. He will be present from 9:00 a.m. until 3:00 p.m.

Ford leads all low-priced cars

In V-8 power

(with a Y-block V-8 that delivers new Trigger-Torque "GO")

Of all the low-priced V-8's, only Ford's Y-block V-8 has an extra-deep engine block to give you smoother, quieter, longer-lasting "GO!" This brilliant V-8, with Trigger-Torque response, obeys your commands instantly... gives you new confidence in traffic... allows you to pass more safely. Ford's short-stroke design and Automatic Power Pilot spell extra savings every mile.

In years-ahead looks

(with styling inspired by the Thunderbird)

Only Ford brings you the years-ahead beauty of Thunderbird styling. The lower roof line, longer body line and flatter rear deck all say "fine car." And inside, the Luxury Lounge interiors feature colors and fabrics appearing for the first time in any car.

In smoother going

(with Angle-Poised Ball-Joint Suspension)

No matter where you go, this advanced form of Ford's Ball-Joint Front Suspension smooths your way. The springs have been tilted to smooth out the bumps from the front as well as the up-and-down bumps.

In modern power assists

(with new Speed-Trigger Fordomatic and new Select-Aire Conditioner)

You can have your Ford as automatic as you want... at a price you want to pay. Power can help you shift, steer, stop... move windows and seat both up and down... even condition the air you breathe.

In choice of models

(with 16 models including 5 different Station Wagons)

No other car offers you so many models to choose from. And in station wagon choice—whether you prefer 2 doors or 4... seats for 6 or 8—Ford has a best-seller double-duty beauty to suit your needs.

and in resale value

(with a higher return on your investment)

The final proof of Ford's extra worth is in its resale value. Ford has traditionally returned a higher portion of its original cost at resale than any other car in its field. Why not get the whole story at your Ford Dealer's. You'll never want to settle for less than Ford.

Ford the new
best
seller...
sells more because it's worth more!

Caudill from Grayson, Ky.; Mr. and Mrs. Robert Blair, from Dayton, Ohio; Mr. and Mrs. Edgar Blair. After services all were invited to a good dinner at the home of Elder and Mrs. Cam Campbell.

At a called service Sunday evening at the home of Wm. R. Adams, Viper, Ky., preaching by Cam Campbell and Jack Brown, brother Adams received into the fellowship of The Old Indian Bottom

Regular Baptist Church, by baptism. He was a former citizen from Rockhouse, where he was reared a son of the late John Adams, his mother was a Blair. He is nearing his 86th birthday and in fair health.

Mr. and Mrs. Agnan Back are building them a home on Elk Creek. He is home from a sixteen month tour of duty in Korea.

Mr. and Mrs. Bruce Back and Susie and Mrs. T. A. Dixon visited at John D. Dixon's on Rockhouse over the weekend.

KIWANIS SPIRIT

Weekly Bulletin of Kiwanis Club of Jenkins, Inc.

JUNE 2, 1955

LAST WEEK:

Chairman Tony Dann did a good job on Father and Son Night arrangements at the pool and Carl Fitzpatrick had a good meal, even tho he did underestimate the collective appetites. Quite a bit of work was accomplished in and around the pool under Gene Auxier's supervision. "Sage" Hunter remarked, however, that there were too many "Chiefs" and too few "Indians."

Gene hopes to open the pool this week.

THIS WEEK:

Program Chairman Bob Blake. We can look forward to an interesting program.

NEXT WEEK:

Walter Garriott is Program Chairman, with suggested subject, "Flag Day."

ATTENDANCE PRIZE:

No drawing last week. Will double up this week. Clabe Adams owes prize for last week. Gene Auxier brings the prize this week.

BOARD OF DIRECTORS
Regular meeting of directors

will be June 7th at Lakeside Hotel, with business session at 7:15 p.m.

KY HIGHWAY LIFESAVERS SLOGAN FOR JUNE—**SLOW DOWN & LIVE**

I like to live dangerously! Lame Brain said

And down the street he swiftly sped.

Then dead ahead, a sharp curve loomed

Too fast to stop, Lame Brain was doomed.

TAKE TIME TO BE SAFE

SPECIAL—CLUB RATING

Have you noticed our Club Rating as recorded in K-T notes for month of February, March and April? For all those months we were on top in Division 7 with ratings of 100, 96, and 97.

LET'S STAY ON TOP

Secretary John Pack and Vice-Presidents Hale and Auxier are to be commended for their excellent job of securing committee reports.

LAUGH-LINES

An old man from the hill country took his first trip to a large city. Walking into one of the skyscrapers he saw a doorman standing by a special kind of door. An old lady stepped in, a light flashed red and she was gone. A moment later the elevator descended, and door opened and out stepped a beautiful young girl.

"Begorra," said the old man, blinking his eyes, "I should have brought the old woman with me."

"Gee, grandpa, what a lot of whiskers you have! Can you spit through 'em?"

"You bet, sonny."

"You better do it now then. They're on fire."

"To stay youthful—Stay useful."

—Hal Stebbins

CAMPING AT KENT PARK

Mr. and Mrs. Elbert Richardson, Mrs. Rex Franklin, Mr. Dan Blair, Mr. and Mrs. Claude Stapleton and Mr. and Mrs. John Krolo were camping at Kent Lake Beach Saturday night and Sunday of last week. Bathing, fishing and picnicking were enjoyed by all parties.

COLLIERS' VISITORS

Visiting the J. V. Collier family Saturday of last week were Mr. and Mrs. Virgil Collier and girls, and Mr. and Mrs. Donald Elliott and children.

VISITS DETROIT FOR WEEK—

Mrs. Nncy Lee Mullins spent the week of May 23-28 visiting her husband, Liburn Mullins here in Motor City. Their son, little Billy Mullins enjoyed the week with his grandmother and grandfather, Mayor and Mrs. Bill Tucker of Neon.

NO OBSCOLESCENCE FOR COAL—

Coal faces no threat of obsolescence in the opinion of Dr. Arno Fieldner, former chief of the Fuels Division of the U. S. Bureau of Mines. Dr. Fieldner anticipates ultimate reliance on coal as the primary source of not only solid fuel, but liquid and gaseous fuels as well.

NOTICE

Morehead State College will offer six semester hours of work in Education at Whitesburg, beginning June 13 Teachers who need to renew their certificates should plan to take advantage of these courses.

PITTSBURGH PAINTS—keep that JUST PAINTED look longer

**for this wide-open beauty**

It's the new kind of hardtop—

The 4-Door Riviera!

THERE seems to be some confusion about what a hardtop really is, and we'd like to set the matter straight.

A hardtop is a car that looks like a Convertible with the top up—but has a solid steel roof overhead—and no center posts in the side window areas.

Up until just recently, it could be built in volume only with two doors—not more—because it would take wholly new structural principles to hinge another set of doors without floor-to-roof center posts.

But Buick came up with those new structural principles and is now building—in volume—hardtops with four doors.

You see one pictured here. It's the 4-Door Riviera. And it's taking the country by storm . . .

Because here, at long last, is an automobile with the sleek and sporty styling of a true hardtop—but with separate doors for rear-seat passengers, plus the added room of a full-size Buick Sedan.

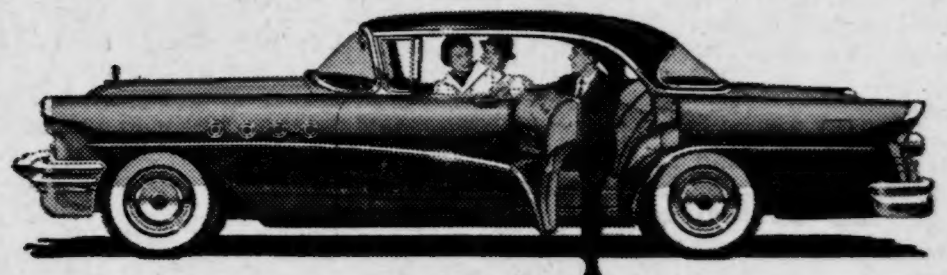

On top of that, this beauty is all Buick—with the buoyant ride of Buick's all-coil springing—the wallowing might of Buick's record-high V8 power—the whip-quick

getaway and sizable gas savings of Buick's spectacular Variable Pitch Dynaflo.*

And it's available in Buick's two lowest-priced Series—the budget-tagged 188-hp SPECIAL, and the high-performance 236-hp CENTURY, illustrated here.

Come visit us for a first-hand meeting with the 4-Door Riviera—and see how quickly and how easily the last word in automobiles can be yours.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Society NEWS

—by Mrs. Cecil Webb—

WOMAN'S CLUB MAY BREAKFAST

The annual May Breakfast of the Whitesburg Woman's Club was held at the home of Mrs. W. P. Nolan at 10:00 a.m. on Saturday, May 28th.

The lovely home was artistically decorated with bowls of Spring flowers. Guests were seated around small tables overlaid with pastel linens and centered with miniature bouquets. The dining table was especially attractive with its miniature Maypole and gay ribbons and dainty place cards for the officers of the club.

Following the breakfast, guests were introduced and the chairman for the day, Mrs. Ferdinand Moore, presented Mrs. James Brown who read a poem, "Meditation." She then introduced Mrs. Leonard Lewis who expressed much appreciation and praise to the outgoing officers for their many accomplishments during the past year.

She presented Mrs. W. P. Nolan, the outgoing president, with a gift. In accepting the gift, Mrs. Nolan offered encouragement to the incoming officers and appreciation for the fine spirit of cooperation manifested in the club during the past year. A musical program of dance and piano was then presented to the club by pupils of Mr. and Mrs. Hugh Adams. This number was highly entertaining.

Highlighting the occasion was the installation of the officers for the year 1955-56 by Mrs. D. B. Franklin. Mrs. Franklin very cleverly presented each officer with a lovely corsage made with flowers from her own flower garden. She emphasized the great responsibility of the fulfillment of each office. The following officers were installed:

President—Mrs. Troy Stallard; Vice-President—Mrs. W. P. Nolan; Rec.-Sec'y.—Mrs. Byrd Hogg, Cor.-Sec'y.—Mrs. James Brown; Treasurer—Mrs. Cecil Webb; Auditor—Mrs. Sam Collins, Sr.

The new president, Mrs. Troy Stallard, in her acceptance urged full support and cooperation of the entire club for the new year toward betterment of club work and in helping to make our city and county a better place in which to live.

The building finance committee chairman, Mrs. Harry Caudill, Mrs. James Brown, Mrs. R. P. Price, Mrs. Lena Hill, Mrs. Kenneth Bentley, Mrs. W. F. Mercer, Mrs. John Combs, Mrs. Robert Williams, Mrs. French Hawk, are to be commended for making possible this lovely breakfast with the proceeds going toward the building of a new club house. Wardrup Packing Co., of Blackey, furnished ham for the meal and the club is gratefully thankful to them.

ON BUSINESS
Raphael Salyer and Phil Holston spent the first part of the week in Lexington on business.

Recent guests of Mr. and Mrs. McKinley Day and Bonnie Combs were Mr. and Mrs. Rudolph Farmer and son, Steve, of Hopkinsville.

MRS. SHULTE INURED IN FALL
Guest of Mr. and Mrs. F. F. Shulte this week is Don Nunemaker of Chicago. Mrs. Shulte is confined to her home suffering with a broken limb, sustained in a fall at her home last Thursday.

New Officers for V.F.W. Installed

The newly-elected officers of the Whitesburg V.F.W. Post 5829, were installed Saturday night, June 4th by the Dept. of Kentucky. Senior Vice-Commander, Charles Carter from Scottsville, Ky., after a delicious supper which was prepared and served by our Ladies Auxiliary, who were also installed on the same night.

Coach Edd Moore, acting as toastmaster, introduced the guests and had a very nice program lined up for the crowd which numbered around 75.

Past Department of Kentucky Commander, Judge John Darnell of Frankfort, Kentucky, was our guest speaker. John has been very active in the VFW of Kentucky, serving this year as Buddy Poppy Chairman. He is also the County Judge of Franklin County and at present a candidate for the office of Attorney General of Kentucky. He gave us a very interesting and inspiring talk on Progress.

Other out-of-town guests were Mr. and Mrs. Ted Stumbo of Prestonsburg, Ky. Ted is the present Department Jr. Vice-Commander and I believe Ted has his eye on the office of Sr. Vice-Commander. Carter, who is a candidate for Department Commander, Mr. and Mrs. Carl Robinette, also of Prestonsburg. Carl is 13th District Commander, Mr. and Mrs. Homer Eversole of Hazard. Homer is our own 14th District Commander.

The program started with everyone singing "God Bless America," with Ralph Frazier leading the song. Invocation by Mrs. Kyle Campbell and then that wonderful meal, after which the guests were introduced, and the speaking by Judge Darnell followed by the installation of the Auxiliary by their own State officers. Installation of our new Post officers. Presentation of Past Post Commanders pins by Coach Edd Moore to the following, Kyle Campbell, Paul Underwood. We have three others who were absent but will be presented their pins at a later date — Fritz Moore, David Fields and Jimmie Dixon.

After this we moved the tables and had a wonderful time. Round and Square Dancing. Also doing a little campaigning for the District and State elections.

On Sunday a large delegation from our Post motored to Hazard for a district meeting and election of officers for the forthcoming year.

Movies of our Post during Memorial Day Services were shown and details were worked out for the Whitesburg band to go to Lexington with us the last of this month—representing the 14th District in the State Contest.

It looks as if our hand-shaking paid off. Ullis Hunsucker, Quartermaster of our Post, came back from Hazard as our new District Commander, and Kermit Lucas was elected as a Trustee. Ullis also holds the office of Department of Kentucky Surgeon.

Let's I forget, Sr. Vice-Commander Carter, Membership Chairman for the Department of Kentucky, also complimented the Whitesburg Post for the wonderful job done on membership. We have gone from 176 members in 1953; 250 in 1954; 319 in 1955, and are at present the largest post in the 14th District.

Next week we will try to give you a complete list of our new district officers.

Guests of Mr. and Mrs. Elisha Rogers this week are Mrs. Nettie Hughes, Mrs. Lucille Daugherty, Mrs. Colleen Pawarsky and son, Henry, of Buffalo, New York.

FLAG DAY

JUNE 14TH IS
FLAG DAY
DISPLAY YOUR FLAGS!

V.F.W. Auxiliary Officers Installed

On Saturday night, June 4, the Ladies Auxiliary to the V.F.W. Post 5829, Whitesburg held their installation of officers banquet at the post clubhouse.

We had as our out-of-town guests, Mrs. Ann Fredericks, Mrs. Helen Allen, both of Covington, Ky., and Mrs. Anna Ruth Tootsie of Prestonsburg, Ky. Mrs. Fredericks, who is chaplain for Kentucky Department of V.F.W., acted as our installing officer. Mrs. Tootsie, our Jr. Vice-President of State Department, acted as our conductress. All of the newly elected officers were not present, those who were, were officially installed in a very impressive ceremony.

Everyone enjoyed the speeches, the jokes, the food, and the dancing afterwards.

We, the Ladies Auxiliary, wish to express our thanks for the many compliments and nice things that were said of us and our cooking. Also, our thanks for those who have purchased tickets and eaten our many banquets in the past. Our only hope is that we may serve you again.

We would like to raise our membership in the next year. If you have a brother, father, son, or husband who has served overseas, you are eligible to join. Won't you join us every fourth Tuesday in each month?

Miss Jones of "Oklahoma!"

Movieland's plushiest role has been landed by a stage-struck, twenty-one-year-old, Smithton, Pennsylvania, girl, Shirley Jones, whose remarkable story appears in the current Cosmopolitan magazine, will play Laurey in the new six-million-dollar production, "Oklahoma!" soon to be released.

Of medium height, Shirley is a slender, blue-eyed, ash blonde who freely admits she must watch her diet. Also appearing in "Oklahoma!" are Gordon MacRae, Charlotte Greenwood, Eddie Albert, and Bambi Linn.

Susan Hall, New Queen of Perry-co.

Miss Susan Hall, of Viper, is reigning as Queen of the second Perry County Homecoming.

She won this right last Thursday night along with the title of "Miss Perry County of 1955" by claiming first-place honors in the Hazard Junior Chamber of Commerce Beauty Pageant.

Judged second best in the Amateur Show was the Flat-Top Quartet of Hazard High School. Making up this vocal group are: Charles Nicholson, Jimmy Hall, David Copeland and Walter Whitaker. They were accompanied at the piano by Lawrence Wagers.

Second place winner in the Beauty Pageant was Miss Shirley Williams, 17, Kodak, who now will serve as "Poppy Queen" for the Veterans of Foreign Wars poppy sale and she was also awarded a \$25 Savings Bond.

Miss Wanda Bowling was in third place; Miss Tommy Jean Gabbard, fourth and Miss Martha Sue Smyly, fifth.

Miss Hall, 18-year-old daughter of Mr. and Mrs. Enoch Hall, Viper, is a graduate of Dilce Combs High School. By winning the contest, she was given the opportunity to represent Perry County in the Miss Kentucky Contest later this year in Louisville. The winner of that event may compete in the Miss America Pageant at Atlantic City.

Contestants were judged on beauty, personality and talent.
